

# Florence LED

Modern luminaire with a directional "halo" effect diffuser, can be ceiling or wall mounted and comes with a number of dimmable options

INTERNAL LIGHTING

### Stock Codes & Descriptions

Florence/LED/20W/Dim10%/WH	10% Dimmable LED FTG
Florence/LED/20W/Dim10%/WH/EM3	EMG 10% Dimmable LED FTG
Florence/LED/20W/DimOnOff/WH	Sensor On or Off LED FTG
Florence/LED/20W/DimOnOff/WH/EM3	EMG Sensor On or Off LED FTG
Florence/LED/20W/Switched/WH	Switched LED FTG
Florence/LED/20W/Switched/WH/EM3	EMG Switched LED FTG
Florence/LED/20W/Dim10%/WH/OP	10% Dimmable LED FTG OPAL
Florence/LED/20W/Dim10%/WH/OP/EM3	EMG 10% Dimmable LED FTG OPAL
Florence/LED/20W/DimOnOff/OP/WH	Sensor On or Off LED FTG OPAL
Florence/LED/20W/DimOnOff/WH/OP/EM3	EMG Sensor On or Off LED FTG OPAL
Florence/LED/20W/Switched/WH/OP	Switched LED FTG OPAL
Florence/LED/20W/Switched/WH/OP/EM3	EMG Switched LED FTG OPAL

### Construction

Spun steel body for strength and durability.  
Choice of clear or opal polycarbonate diffuser, both are UV resistant and fire retardant.  
Standard Bezel colours are White, Satin Chrome and Polished Chrome, others available upon request.

### Installation

Designed for internal use. Can be wall or ceiling mounted.  
Please note the detection area zone does alter between the wall and ceiling.  
Cable entry is to the rear of the fitting.  
4 pole connector block as standard on this range.

### Specification

Numerous options are available for this fitting, including a 22W lamp option and emergency options. If you require a particular setup of the Hytronik occupancy sensor please contact Lux Bright.

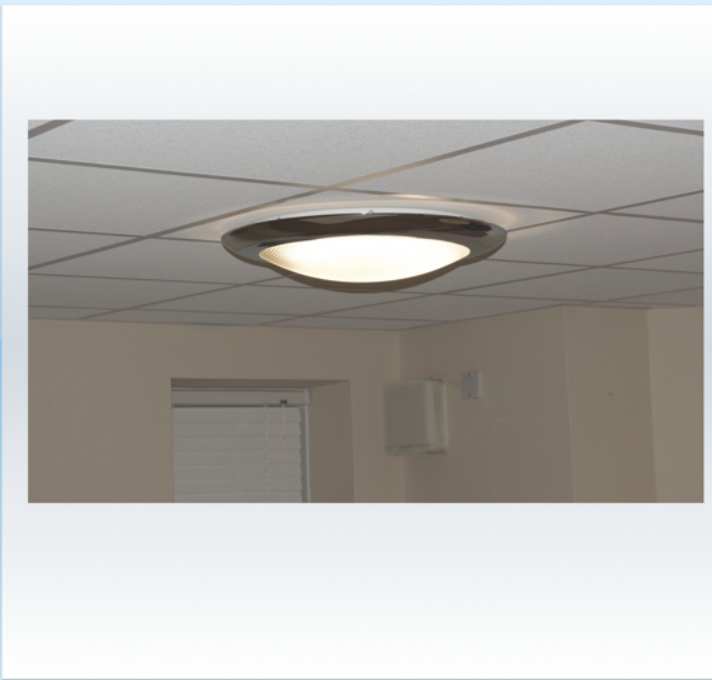

### Key Points

- Designed to offer the largest energy and maintenance savings
- Variety of dimmable options
- Dual LED PCB for extended longevity
- Excellent colour rendering
- Modern "halo" effect design available in white, satin chrome and polished chrome
- 20W of LED bright white light with high power factor
- A number of occupancy control options
- Choice of emergency options, M3, NM3, Self Test (ST3) and emergency lighting guard with GSM (ELGGSM)
- 131 lumens per watt at 500mA (Output can be adjusted)
- Diameter 525mm. Height 110mm
- Full 5 year warranty

# Florence Fluorescent

Modern luminaire with a directional "halo" effect diffuser, can be ceiling or wall mounted and comes with a number of dimmable options

INTERNAL LIGHTING

## Key Points

Designed to offer cost effective energy savings with contemporary design

Variety of dimmable options

Directional "halo" effect

Excellent colour rendering

Elegant slimline design available in white, satin chrome and polished chrome

Reliable European HF ballast(s) used

A number of occupancy control options

Choice of emergency options, M3, NM3, Self Test (ST3) and emergency lighting guard with GSM (ELGGSM)

Diameter 525mm. Height 110mm
