Junior **Banz®** Flexerz are a literal twist on the Junior Banz® you already know and love! The protective wrap around shape keeps sunlight out, and the two-tone design looks super cool. The best part? The entire frame is COMPLETELY flexible - twist it, bend it, fold it - it bounces right back! Flexerz offer 100% UVA/UVB protection as well as polarized lenses.

The fun starts as soon as you step outside when **Banz®** Chameleon kids sunglasses magically change color right before your eyes! The color then changes back to its original shade once you go back inside. This classic Wayfarer shape is in style and functional for kids on the go. Lenses offer 100% UVA/UVB protection as well as polarized lenses.
