Company

Join an entertainment centre with three locations hosting events, birthday parties with mini-golf and more. Looking for a technician/maintenance person to ensure client satisfaction is achieved at four facilities including indoor entertainment, mini-golf and fitness facilities.

Position Summary / Candidate Profile

A technician opportunity working for an entertainment centre to serve 4 locations. This role is responsible for ensuring customers have a great experience and an ideal candidate has previous troubleshooting experience and understands the urgency in performing repairs and maintenance.

Job Duties

- Accountable for safe installation and testing of machines in a timely manner; provide preventative maintenance of all game equipment and machines
- Assist customers' inquiries when needed or by requests; rewards' redemption and etc.
- Ensures repair of all game equipment as directed by management
- Recognize safety hazards and carry out risk assessment. Provide sound remedies to exposed risks/possible dangers
- Propose sound judgement or suggestions to ensure a safe and playful atmosphere at all times
- Review and maintain the cleanliness and organization of games (ensures all games are clean and unobstructed)
- Ensure stocking, displaying, and securing rewards/game merchandise in the appropriate storage areas (i.e. maintain proper inventory levels for games, game parts, prizes and redemption tickets)
- Recognizing and request to acquire the needed games parts, inventories and merchandise
- Promote ideas or suggest new games to be displayed for a better and fun place
- Perform regular repair for playground maintenance
- Wiring connection; Computer tech. issue fixing; Telecommunication issues repair

Requirements / Candidate Profile

- **College Degree, Diploma/certificate in information technology or any related technical program preferred**
- **Working knowledge and experience in trouble shooting computer; technical; wiring or systems problems**
- **Demonstrate mechanical aptitude and critical thinking to identify, trouble shoot and solve problems**
- **Driver's License and Personal vehicle to travel between 4 locations in Newmarket / Barrie is required**
- Understand machinery & electrical schematics; familiarity in related technical and/or electrical skills preferred
- Reliable with schedule flexibility to work during days, evenings and weekends as needed
- Able to meet the physical demands of some lifting when ensuring the stocking of inventory
