

**WHAT'S IN A NAME?
MONEY FOR DISASTER FUND, THAT'S WHAT!**

CSC Members, I've thought long and hard for a fun, easy project this year. The only thing involved is a little addition. Using the key below, just figure out how much your name is worth. First, middle and last names. If you have more than one middle name, choose just one, or, if you are feeling generous use all your middle names. Same thing if you have a confirmation name, if you're feeling generous add your confirmation name to your total.

Using the monies assigned to the alphabet, add up the values of the letters in your name to determine the amount of your donation.
