### A MESSAGE FROM WALK #201 LAY DIRECTOR

In September, 2008. I was blessed to be a pilgrim on Walk #111 this was 90 walks ago. At that time, I had no idea of how God had been working on me and how He would change my world. The first thing to happen was to be still and listen! Then to establish my priorities to become more like someone that is His, a child of God. I became aware of how much God's grace had been the shield during my many mistakes and how it later became the force in my life. Through God's means of grace, He has led me to grow through study of his living word as He develops me into His disciple. When I went on my walk I was task oriented, you know, to get the job done no matter what it took or who was hurt, stepped on or ignored. My heart had hardened over the years of living the "Get the Job Done" attitude. On Walk #111, Jesus grabbed me and said it is time to listen. He spoke to my hardened heart, softened it to better than new. Emmaus is more than the initial experience of the 72 hours. Many brothers and sisters that I have met and worked background with are living proof that God is Good and has a sense of humor (lol). When my sponsor dropped me off I knew it was "my time in His timing", my life changed forever. The love of Jesus that is shone through serving with brothers and sisters in Christ in whatever area help is needed has been a blessing. The lifelong friendships with my brothers and sisters in Christ are so precious. They are special moments in time that will last forever. I understand now why the Lay Director gives the Perseverance talk. I am blessed to know the brothers and sisters who have said "yes" to serve on Walk #201 will be the instruments of God's grace to make this the "Best Walk Ever." For this service, for your love, and especially for your love of Jesus, I thank Jesus for the blessing of being allowed to be present and being allowed to serve Him during His walk to Emmaus.

Your Brother in Christ.

## A MESSAGE FROM WALK #201 SPIRITUAL DIRECTOR

As we are preparing our hearts to serve, I am reminded of a great statement found in Acts 4: 13, *“Now when they saw the boldness of Peter & John, & perceived that they were uneducated & untrained men, they marveled. And they realized that they had been with Jesus.”*

I pray that will be our goal as we serve these men on Walk 201; that they too will realize that *“We have been with Jesus.”* As we give our hands, feet, & heart to serving others shouldn't that always be the end result of what we do?

How many times at Closing have we heard pilgrim's say this about those who attended Candlelight, as they looked into the face of our Emmaus brother's & sister's as they walked by each pilgrim.

My question's and challenge to the Conference Room team; those serving meals & many other's working behind the scene on Walk 201 is this, will the pilgrim's leaving Walk 201 know that we have been with Jesus? A love like this can only come when we give ourselves completely to Jesus to be His hands and feet.

Sincerely,

Mike Wells  
Spiritual Director  
Walk 201
