HISTORY

For 13 years, this Junior Golf Program was conducted at Western Lakes Golf Club in Pewaukee, Wisconsin. Some of the successes of this program include the following:

- ❖ In 2012, 7 of 16 #1 players on the Classic 8 Conference boys and girls golf teams were students of the program
- ❖ Total student enrollment averaged 250 junior golfers per year for the past 12 years
- ❖ The Hartland Arrowhead boys golf team won 4 consecutive WIAA championships – the only school to ever accomplish that feat. Four of the nine boys who competed on those teams were students of the program
- ❖ All five members of the 2012 Kettle Moraine High School girls golf team (runner-up at the 2012 WIAA State Golf Tournament) were students of the program, and three of the five girls remained involved as Program Assistants
- ❖ Produced more players on local high school girls and boys WIAA golf teams than any other program in southeast Wisconsin
- ❖ MOST IMPORTANTLY, introduced over 2000 boys and girls to the GREAT GAME OF GOLF!

ABOUT THE 2016 JUNIOR GOLF PROGRAM

The 2016 JUNIOR GOLF PROGRAM at Utica Golf Club will be divided into two programs:

Program I Grades 3 thru 9 (Beginner & Intermediate)

Program II Grades 1 thru 4 (Beginner)

During the instruction/practice time of the program, students will receive instruction in:

Golf Swing Fundamentals, Driver, Pitching, Chipping, Putting, Rules/Etiquette

Students will be placed together in small groups of like age/ability and receive instruction in each golf area every week.

This structured format will allow each student to maximize building their golf skills and provide more personalized instruction. Time on the golf course will be divided between actual play, structured instructional segments, and on course demonstrations by staff which will allow instructors to teach concepts and cover parts of the golf game more comprehensively. Students' age/ability will determine golf course content and group formations. In 2016 our goal is to focus on the implementation of our ***simple yet extremely effective concepts and principles*** we use in teaching the fundamentals of the golf swing and other various shots used in the game of golf.
