Dear Dr. Baranski,

Thank you so much being one of the guest judges for Research, Writing, and Advocacy's Oral Arguments at MSU College of Law. I was so impressed with the quality and number of guest judges who participated. The Oral Argument is a crucial rite of passage for our first year students, and receiving feedback from the judges is very important to them. I am sure all the participants appreciated all of your helpful comments.

Thanks again for visiting MSU College of Law and providing such an essential service to our future attorneys.

Sincerely,

A handwritten signature in blue ink that reads "Joan Howarth".
