

MGA – Presidents Message 2015-2016

To My Fellow MGA members:

I am honored to be selected to serve as your president this year. Since joining the MGA six years ago, I have worked on a number of committees and have learned a great deal about how the MGA works. We are an outstanding organization and I will do everything I can to continue to make us better and stronger.

The year 2014-2015 has certainly been interesting, with the shutdown of our course and our temporary move to Spruce Creek. I know we are all anxious and excited to get back to Cypress Head, where new management and a brand new course await us. You have my commitment to work closely with management, and all of our committees, to develop and nurture a beneficial relationship for both the MGA and the Golf Club at Cypress Head. I will also continue to work hard on making the MGA website a valuable resource for us all.

As additional goals for this year, I would like us all to work on two things. First, we need to increase our active membership numbers. Our actual membership remains high, but a relatively small number plays weekly. Let's encourage our members to play regularly. Second, we need to continue to work on pace of play.

I look forward to working and playing with all of you in 2015 - 2016.

Tony Delmonte - President
