DESCRIPTION: The trusty Necedah X-26 is one of the all-time great all-purpose bows. This one has no delamination; no cracks; limbs are straight. Beveled arrow shelf. Overlays and tips are in great condition. 2 filled screw holes on the side of the riser (see pic). No chips, dings or cracks. No crazing or stress cracks, but there are a few light stress lines in the riser fade-outs, none of which extend into the working area of the limb. A few minor scratches and nicks here and there. Decals are in excellent condition. Overall, this is a really nice bow in excellent condition for its age. The X-26 is a comfortable bow to shoot and highly accurate. One of the all-time great-value bows.
