

Program Requirements:

Under the U.S. economic embargo of Cuba, travel to Cuba by U.S. citizens for tourism is strictly prohibited, however, the US Government permits licensed "People-to-People" educational trips. Ocean For Youth's Cuba Travel Program is in partnership with the Jardines Aggressor, owned by a Panamanian Company and under a special educational program licensed by the U.S. Treasury Department's Office of Foreign Assets Control (OFAC) under 515.565(b)(2) of the Cuban Assets Control Regulations, 31 CFR Part 515 (the "Regulations"). Under OFAC regulations, there are specific procedures and guidelines that must be followed by travel agents, travel wholesalers/resellers, dive shops, and other groups and organizations that wish to promote and advertise Cuba trips. Under this program, "each traveler must have a full-time schedule of educational exchange activities that will result in meaningful interaction between the travelers and individuals in Cuba." Oceans For Youth has designed a full-time educational schedule in which travelers are required to participate, in compliance with the US Government rules for travel to Cuba. Airline Travel Provider: LiveAboard Vacations provides our program with air travel and visa services to Cuba through authorized airlines. Travelers may contact LiveAboard Vacations at www.LiveAboardVacations.com, Lisa@LiveAboardVacations.com or call 1-800-348-2628.
