WINTER SESSION 2020

“HAPPINESS IS NOT A MATTER OF INTENSITY  
BUT OF BALANCE AND ORDER AND RHYTHM AND HARMONY.”

## A Special Message From Owner Ginger Acopiado

We love our families and are monitoring the COVID-19 situation very closely. For the current session, we will be following this emergency closing guideline:

1) As of now, Friday Classes will be held tomorrow March 13, 2020 in Grayslake (Music Masters 3, 2 & 1) and Libertyville (Group Piano.)

2) NO CLASS MARCH 16 - MARCH 29, 2020.

All classes are suspended until after spring break week, and will begin again with Monday March 30, 2020 classes.

This will give families 2 weeks at home before resuming March 30, 2020. Each returning family will receive a 1 week credit for the Spring session rather than having to worry about make up classes.

However, if a park district closes their facility until after the 30th, we will not have classes until they reopen in that facility.

3) If we are notified of an exposure in our classroom facility by the park district or exposed student family, a phone call and an email will be made to each enrolled family and classes at that facility will close for no less than 14 days from the date of notice.

We will not be posting any student information or making recommendations to families on this page. Please consult <https://www.cdc.gov/coronavirus/2019-ncov/index.html> for recommendations in the event of exposure.

Our teachers have been very diligent, all are moms themselves and work hard to stay safe every day of the year. We know you are worried, and we are taking every extra precaution to keep our classrooms, instruments and materials clean.

We respect your choices to attend or not attend class. We ask that our families notify us through Messenger or an email if you will miss class for the time being.

Stay well, and as our mothers told us, if you can't remember the last time you washed your hands, go wash them again!
