Based on the children's book *The Trip* by Ezra Jack Keats, and featuring a score by Grammy Award-winning composer, Stephen Schwartz, Captain Louie JR. is a delightfully fresh and touching story about friendship — the ability to make new friends... and the importance of old ones. Louie has just moved to a new town and is nervous about making new friends. Alone in his room, he takes flight in his imagination, back to his old neighborhood, where he spends Halloween with his colorful crew of chums. Over the course of trick-or-treating and being introduced to the new kid in that neighborhood, Louie discovers that making new friends is nothing to be afraid of.

\$300 Tuition includes student script and music, t-shirt, 10 weeks of musical theatre instruction and production experience. See below for Tuition Policy.

Due to the amount of material covered each week in rehearsal, absence is discouraged. If a student misses a rehearsal, they may not be placed in the material covered that week at the director's discretion. Absence during auditions, dress/tech rehearsals and performances is not permitted.
