

WEBA Renters Tips & Reminders

If you rent your property for all or part of the year, the WEBA Board of Directors, on behalf of all WEBA residents, recommend that you :

- 1) Include a copy of the Beach Rules, which can be downloaded / printed from this site, with your renter's agreement and / or post them prominently in your home.
- 2) Advise your renters that **smoking on the beach is prohibited**. WEBA has adopted the same policy as the Town of Barnstable with regard to smoking on any beaches.
- 3) Advise your renters that **they must take all trash with them**. There are no trash containers at the beach and there is no trash pickup at the beach. It is everyone's responsibility to keep the beach clean for all.
- 4) Advise your renters that **parking is not permitted** outside the fence area.

The WEBA Board of Directors and WEBA residents appreciate renters attention to, and compliance with, all beach rules and regulations.
