It seemed pretty nice at the bottom (12 degrees, no wind) but by the time these 16 hardy souls had run 9k and over 3000 feet of elevation, the weather was cold and windy. Many chose to return for a BBQ and celebration, which was enjoyed greatly. Thanks to all, and a special thankyou to Iain at High Country Sports who donated prizes for this event, and has been a great supporter of other events in the past.
