

Howdy

I have scheduled Saturday December 15, from 9:00 AM to 12:00 PM, at the Carrboro Century Center building for our winter meeting. THIS IS NOT CHRISTMAS PARADE day...that will be Dec 8th if you'd like to attend. LOL

If anyone has a topic for discussion at this meeting - please jot down your ideas and/or concerns and send to me so that they can be included with the meeting mail out package.

Unless someone has objections - the Paul Stewart in Statesville will be scheduled for April 26-28 2019 - I'll probably start working on this in late November.

I would also like to receive info from tournament directors on what supplies may be needed for the 2019 year and I would like to know which tournaments still use the round robin "card" that we have printed. Our supply is getting low and I need to know if I need to re-order this year.

Many thanks
