

Nutritional Services will Continue
Issued 3/14/2020 at 8:20am

Good morning VPE bobcats,

As we navigate these uncharted waters I will be periodically sending out information to ensure that all VPE families are informed about district offerings. At this time nutritional services will continue to serve meals on school days. Please see the information below

- Nutrition Services will be offering breakfast and lunch for ALL students. Breakfast *will be served from 8-10 and Lunch from 11-1. Host sites are Taft, Esplanade, Handy, California, Lampson, Yorba, Portola, ELMO, and OHS. No ID will be needed at these sites.*
- Nutrition Services will also set up an additional host site via a bus on the corner of *Bristol/Memory Lane*. Brunch will be available at this site from 10-12. A bus pass or school ID will be needed to receive food at this location.

As mentioned yesterday, the teachers staff and I will be at VPE on Monday and the office will be open to pick up materials. I will send another communication out on Monday with additional information and updates.

Enjoy your weekend with family and stay healthy.

Principal Beggs
