## President's Report

April 2022

Ladies and gentlemen, get ready to start your engines!!

It's finally time to get out and enjoy the weather.

This month marks one year since I became the club President and the current Executive was formed. It's an awesome team and I can't stress enough how much energy each of them puts into helping run the club. Lots of work goes on behind the scenes, but its lots of fun too. I appreciate their ongoing efforts to support to me and the club.

It was great to see so many people at Montana's on Saturday. Thank you to Jan Raven for organizing such a fun event.

At the March General Meeting several people volunteered to plan cruises for the season and I'm looking forward to enjoying my Corvette with the group. Motorama is scheduled for the end of this month and COD will be displaying 4 Corvettes at the show.

Planning is well underway for our DreamVettes show on June 5<sup>th</sup>.

Special thanks to John Fletcher who keeps churning out our incredible monthly newsletters, sprinkled with humour and mischief.

When you read the newsletter this month, please note the updated ads from several of our advertisers. Please support our advertisers every opportunity that you can.

On a personal note, my son and daughter-in-law are expecting twins (one boy and one girl), which are due in a month. Very exciting times ahead. 😊

Anne Halverson

**Corvettes of Durham** was established in 2000. We meet on the third Wednesday of every month at 7:30 pm and have recently re-started our on site meetings. During the summer months, we arrange 'offsite meetings' and cruise to different locations. If you have a favourite restaurant suitable for a meeting, please let one of the COD Executive know.

## Thank You

To our surprise and delight this morn, we received the most beautiful arrangement of flowers. How lovely of the Club to have thought of us while we were dealing with this horrible virus! We hope to have turned the corner now after living with it for 14 long days, although the after-effects seem to still be present. It was very much appreciated. Thanks to all.....

# Callaway B2K 35th Anniversary Corvette

[Callaway Cars](#) and Chevrolet have joined forces once again to create a brand new special edition C8 Callaway Corvette that celebrates the 35th Anniversary of [RPO B2K](#), the first non-GM RPO issued in 1987 for the Callaway Twin-Turbo Corvette. Corvette enthusiasts will be able to select RPO PCY at their Chevrolet/Callaway dealerships to order the B2K 35th Anniversary Package.

The [B2K 35th Anniversary Edition](#) is an appearance package for the C8 Corvette Stingray, and no engine modifications are offered with this package. What you do get is a great-looking Corvette featuring the following upgrades and equipment.

## **Callaway Carbon Fiber Aerodynamics**

Designed by longtime Callaway designer Dr. Paul Deutschman, the carbon fiber aero package features a front splitter, full-length rocker panel extensions, a slot gap rear spoiler, and diffuser assembly that is made from the highest quality pre-impregnated carbon fiber fabrics and clear coat formulations. The aero kit creates an aerodynamically balanced Corvette with low-drag and visually striking enhancements.

## **Callaway Double-D Exhaust System**

Long a favorite of Callaway owners, the Double-D Exhaust is back for the B2K 35th Anniversary Callaway Corvette. Manufactured from T304 stainless steel, the lightweight central acoustic chamber design creates a unique exhaust note that is refined and mature. The Double-D features an internal chamber design and tube construction that provides natural frequency-cancellation of in-cabin resonance and drone. Callaway's exhaust is 40 lbs lighter than the OEM system and it's still 50-state emissions compliant.

All Callaway B2K 35th Anniversary Edition Corvettes are documented with a leather-bound Certificate of Authenticity, Callaway's 3-Year/36,000 Mile Warranty that supplements the factory GM warranty, and some Callaway 35th Anniversary Swag.

Like previous Callaway orders, once your Corvette is completed in Bowling Green, it is sent to a Callaway facility either in Connecticut or California where it will undergo the PCY transformation. When your Callaway B2K 35th Anniversary Edition Corvette is completed, new owners can now do either a Callaway factory delivery or take delivery at the [Thompson Speedway Club](#). Owners can still take delivery at your local Chevrolet dealer or the National Corvette Museum as well.

## Garcia, Taylor, Catsburg, No. 3 Corvette C8.R take 12th victory in 12 Hours

SEBRING, Fla. (March 19, 2022) – Corvette Racing made it a dozen victories in the Mobil 1 Twelve Hours of Sebring on Saturday, the first victory in America's oldest sports car race for the mid-engine Chevrolet Corvette C8.R.

Antonio Garcia, Jordan Taylor, and Nicky Catsburg teamed for the landmark win with the No. 3 Mobil 1/SiriusXM Corvette in the second round of the IMSA WeatherTech SportsCar Championship. The trio combined to lead 247 laps or 913.9 miles for Corvette Racing's first Sebring 12 Hours win since 2017 and 12th since 2002.

It also marks the first win for the GTD PRO-spec Corvette C8.R in its second race as part of the new class. The result goes along with a runner-up GTE Pro finish for Tommy Milner and Nick Tandy in Friday's 1,000 Miles of Sebring for the FIA World Endurance Championship.

## Barrister Corvette at the Glendale Auction March 2022

Time to grab your powder blue leisure suit, your best white leather loafers, and hit the town. Mecum's Glendale auction takes place this week and this truly unique custom Corvette is on the docket. This Barrister is purportedly one of just seven built by legendary customizer George Barris inside his famous Hollywood shop in the late '70s and early '80s. The more you look at it, the more you can easily see Barris' influence throughout. The Barristers were [sought after by celebrities](#) as *Motor Trend* reported in an article a few years back that Bo Derek, Sammy Davis Jr, and others had an interest in them. They go on to talk about a black and gold example once owned by Liberace which sold for \$51,000 in 2019

**Blonde at the Super bowl**

Of all the blonde jokes, this one has to be one of the best - because it makes football make sense!

A guy took his blonde girlfriend to the Super Bowl game. They had great seats right behind their team's bench.

After the game, he asked her how she liked it.

"Oh, I really liked it," she replied, "especially the tight pants and all the big muscles, but I just couldn't understand why they were killing each other over 25 cents."

Dumbfounded, her boyfriend asked, "What do you mean?"

"Well, they flipped a coin, one team got it and then for the rest of the game, all they kept screaming was... 'Get the quarterback! Get the quarterback!' I'm like...Helloooooo? It's only 25 cents!"

We're looking for someone who can do the work of two men
