2019 Official Pink Invitational Leo

Designed and created by Pink Invitational Partner, GK Elite Sportswear, this beautiful one-of-a-kind leo will be worn by all our competitors this year as a symbol of unity and support.

March-In Accessories

- Remember that the idea behind every gymnast competing in the same pink leo is that they are uniting for the cause, as one team. Therefore, please refrain from wearing any adornments, warmups, or apparel that cover the leo during march-in.
- The leo does not come with a scrunchie, as most teams create their own hair ribbons/bows, scrunchies, etc. Be creative and have fun with this! (Please wear our Leo black scrunchie and the ABG silver and black ribbon hair band the girls were given earlier this year)
- The judges will NOT deduct for fingernail polish or small face tattoos during competition.

Meet Photography/CD Pre-Orders

We are privileged to have Team Photo as our official event photographers. Led by John Cheng, their crew has provided unparalleled coverage of the Pink Invitational for the last ten years.

Each girl who competes will be given a link or a CD of photos taken at the Meet. Links will be available and distributed the week after the meet.
