YEARBOOKS!

Your patience is greatly appreciated and it will be well worth the wait as the book looks great. During production of the 2014-2015 book, both my school laptop and my personal computer at home crashed. At the beginning of June, I was able to recover the photos from my personal computer which allowed me to go from including 60% of the normal pictures to about 95%, but in order to do this we had to be a work in at the plant. The 2014-2015 yearbooks are scheduled to arrive after Labor Day.

If you did not place an order for the 2015-2016 yearbook and would like to do so, please contact me at lori.hess@lpsb.org for an order form or you may print one from the school website. The anticipated arrival of these is November.

Thank you for your understanding,

L. Hess

FIELD TRIP MEMORIES

The community based class, along with Mrs. Donna, Mrs. Dawn, Mrs. Tiffany, and Mrs. Kim took a field trip to the Aquarium in New Orleans. It was a celebration of a job well done for cooking and serving meals prepared by the students to the faculty and staff of Maurepas School. The program was so successful, that we will continue cooking and serving again this school year.
