

The Flushing Band and Orchestra Boosters would like to thank everyone for a successful 2020 season!

The people of Flushing have been incredibly supportive of this fund raising effort and we would like to thank them for everything that this fund raiser has been able to provide to the music program here in the Flushing School System.

We would also like to extend a special thank you to all of the volunteers who gave up their time to go out, in all kinds of weather, to put up these flags all over the Flushing area. Without their help we could never have brought this program to our wonderful town.

**We look forward to seeing everyone again in 2021,
with an even more successful program**

We'll see everyone in the spring!
