OBJECTIVES OF WORKSHOP

- Make the Lap size (48" x 60") of Moonlighting. (Twenty 12" blocks)
- Learn Methods 2 & 5 of ***The Learning Curve (TLC)*** ruler to machine-piece the curved units that create the perfect circles. No TLC experience necessary.
- Learn tips for successful free form curved piecing, accurate ¼" seam allowance (for straight seams), rotary cutting, and pressing.
- Learn how fabric selection changes the look of the block.

WHAT TO BRING TO CLASS

- **Special Items:**
 - *The Learning Curve* ruler by Linda Warren Designs.
 - *Moonlighting Pattern* by Linda Warren Designs.
- **Basic Sewing Supplies:**
 - Sewing machine, extra needle, presser feet, owner's manual.
 - Rotary cutter with new blade, cutting mat, and rulers (Best: 6x24 and 6x6).
 - Paper, pen or pencil, pins.
 - Coordinating thread, pre-wind a matching bobbin.
 - Optional: Iron and ironing board (We need one for every four people.)

○ **Fabrics:**

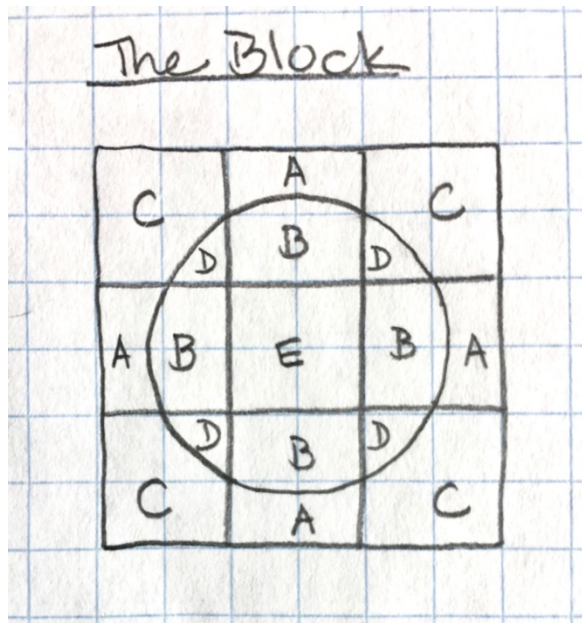

Choosing fabrics

You can print out a coloring book image of this quilt to help you plan your colors and fabrics. Find it on The Learning Curve page of my website.

Solids, blenders, batiks, or non-directional prints are recommended. Fabrics should be good quality, and similar in weight and weave. Prewashing and pressing are recommended (no starch). Purchase extra if you want a matching binding or border.

Make all the blocks the same for a unified look, or make it scrappy (each block different) like the sample.

If you're unsure of your selection, bring some extra choices.

Yardage amounts and pre-cutting (See chart)

Precutting is recommended but not required. It will allow you to make more progress during the class. *If you are unsure of your fabric selection, pre-cut only enough for **one block**. We will discuss fabric selection first thing on the morning of the workshop.*

Size: The sample quilt measures 48" x 60". You can make yours larger by adding more blocks or a border. You will get leftovers to make twenty 4" curvy pinwheel blocks (one per circle block). You can use them instead of E in the center of your blocks, or use them to make a matching 16" x 20" pillow.

Fabrics	Per one 12" block: Pre-cut (scrappy)	Lap Quilt Yardage (48" x 60")	Lap Quilt: Pre-cut
A (Warm medium in sample)	Four 3¼" x 5½" rectangles	1¼ yards (or 5 fat quarters)	Eighty 3¼" x 5½" rectangles
B (Warm light in sample)	Four 3¼" x 5½" rectangles	1¼ yards (or 5 fat quarters)	Eighty 3¼" x 5½" rectangles
C (Cool dark in sample)	Four 5½" squares	2⅛ yards (or 10 fat quarters)	Eighty 5½" squares
D (Cool medium in sample)	Four 3½" squares	7/8 yard (or 3-4 fat quarters)	Eighty 3½" squares
E (matches D in sample)	One 4½" square	½ yard (or 2 fat quarters)	Twenty 4½" squares
