

# BEATITUDES OF OUR LORD NEWS

## WASC REVIEW

Thank you God!

*After two years' preparation, meetings, writing and rewriting, and waiting for the arrival of the "Committee", we completed our WCEA (Western Catholic Education Association and WASC (Western Association of Schools and Colleges) visit.*

We had two Committee Chairs, two Principals from schools in the Archdiocese, and three faculty members also representing three school in the Archdiocese.

On Thursday, March 1, we heard the verdict. We passed – six years! So what is the big hoopla you ask?

Well, it is all schools goal to receive a six-year marker as that is the highest you can receive. The committee will recommend in their writings to give Beatitudes a 6-year marker. Some of the facts stated in the Report Findings were:

- The school was highly effective in identifying their school data.
- The school addresses the goals of the past (2012) accreditation effectively.
- The school was highly effective in implementing continuous school improvements.
- Highly effective in communicating the SLEs.

**"YOU HAVE A GREAT SCHOOL...WE ARE TAKING A LOT OF WHAT IS HAPPENING HERE AND APPLYING IT AT OUR SCHOOLS."**

## DONORS

Beatitudes has been blessed by many angels this year. We will be starting a thank you page to our donors' on our website.

We are happy to welcome to our Bobcat Family:

**Brianna Franco –  
Kw Pacific Estates  
Cerritos**

**Padcon  
Construction, Inc., -  
Carlos Padilla**

**The Catherine and  
Howard Memorial  
Foundation – Tom  
Smith**

- Highly effective in modeling Catholic Values.
- Highly effective in incorporating Catholic Values into the curriculum.
- Highly effective in communicating high achievement by all students to the shareholders.
- Highly effective in measuring student achievement of the SLEs and curriculum standards.

The goals set for the next 6 years are to:

- *Integrate technological supports within classrooms on 1-1 device within 3 to 5 years.*
- *Integrate ADLA Religion Standards and Catholicity into daily life at Beatitudes of Our Lord School.*
- *Implement Multiple Tier System of Support - To provide strategies that will enable greater student learning, and facilitate academic excellence in performing at benchmark on the STAR, formative, and summative assessments to meet the curriculum benchmarks.*
