I want to take a moment to give the Most High a thank you and praises for things he has done for me. My subject is, "EL HAS DONE IT AGAIN" I am only 8yrs old but I am hwise enough to know that Hashem heals, saves, protects and love us with an everlasting love

Jer. 31:3

Only our GOD shows kindness when he heals, saves and protects us. On Nov23 I was rushed to the hospital, there for a few days. Dr. checked me but the head doctor guided the doctore to help me get better. EL HAS DONE IT AGAIN.

"The Almighty is doing a New Thing"

Isaiah 43:18 Remember ye not the former things, neither consider the things of old. 19 Behold, I will do a new thing; now shall it spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.

-Judah was the first person in the Torah to be clear cut and precise that he was wrong

-He becomes the first real Ba'al T'shuvah

-Tamar was unconventional in her actions; Judah said after being found guilty, Tamar is more righteous than me.

-Joshua 21: 45

-The people that lived this story only saw their current perdictament but didn't see the long term plan that the Almighty had for the children of Yisrael.

-Since stories as early in Genesis; no one has seen the later but have seen their current reality

-Tamar has become a hero that has been overlooked the story of Judah God creates the cure before the pledge

All Things Bright and Beautiful

by Cecil Frances Alexander

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful,
The Lord God made them all.

Each little flower that opens,
Each little bird that sings,
He made their glowing colors,
He made their tiny wings.

The purple-headed mountain,
The river running by,
The sunset, and the morning,
That brightens up the sky;

The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one.

He gave us eyes to see them,
And lips that we might tell,
How great is God Almighty,
Who has made all things well.

I come to encourage you all tonite to let you know; There are blessings in the mist of the storm. Weeping may endure for a night but Joy cometh in the morning. You may be hurt by what you face and you cry oh, so many nights but the Eternal has a plan for you. What you sow in tears, you will reap in Joy. Keep trusting in the Most High because, There are blessings in the mist of the storm

Anj'a Best had a response video some time ago that still sticks with me today. She said, "I think too highly of myself", I've been in a dark place before, and I felt like I was less than I am. He asked, "How highly do you think of yourself?" Sometimes you have to be delivered from you.

Psalms 147:3-7

I recalled the time me and the organist thought on the goodness the Most High and how at that moment we felt the Most High's presence. You can't walk in the spirit if you're always operating in the flesh. If you want a spiritual response you have to do the spiritual work. If we walk by the spirit and talk by the spirit; HE will reward in the spirit. Be encourage young people. The ALMIGHTY loves you and

Yechezqel Evans do too.

Virtual 75th Birthday
Celebration

January 2, 2021 @ Sundown

All praises to The Most High Yah. We will soon be approaching a very important day. If Yah say so, that will be the 75th birthday of our leader who we love. We are planning to celebrate her, Saturday evening, 1/2/2021, on zoom. Let's praise the Most High for blessing us with a great and priceless jewel.

Bless His High and Holy name; send her cards, which she loves to read; flowers which she admires; while she can see and smell them. We are asking for \$1 a year or more. Nothing is too small, she is appreciative. Being 7 weeks away for this great event. Please contact Rabbinit Plummer with your donations as soon as possible. More information to come.

Thank You,

Praying and working together in unity brings positive results.
