Volume #1 Published Monthly

From the President's Desk:

We will be having a club work detail on Saturday, September 17th from 9:00 am until noon and we could use your help. We have a pretty good list of maintenance item that need to be accomplished before winter gets here. We'll be working on a drain for the downspouts on the clubhouse, painting the roof on the tractor shed, filling potholes and more. The list continues to grow. Please wear old clothes and boots. Bring shovels, step ladders, miscellaneous carpentry tools, work gloves, and anything you think would be helpful. We will be giving out door prizes to those in attendance.

After the chapter meeting September 20th we will have a brief Home Association meeting. All chapter members are Home Association members. As far as I know there is no Home Association business, but the by-laws call for a meeting.

It is time to start putting together the 2017 calendar. I need activity dates from committees and pictures. If you have any great pictures from activities at our club please email them to me. If you would like to pre-order one please email me as well.
hkbtrt@verizon.net

Howard Thompson

Membership Renewal:

In the next few weeks you will be receiving your membership renewals for 2017. You will notice that there has been a dues increase from Nationals. Please let me know if you turned 65 years old this year, and if you have been a member for at least ten years. If you are not sure how long you have been a member, I'll be glad to check for you. We do offer a discount, but I need to know to apply it. And if you have moved within the last year, please let me know as soon as possible, I may need to change your address on your renewal. I would be very happy to have help stuffing the envelopes this year. I am planning to have everything ready to go on October 1. If you would like to help, I will be downstairs in the clubhouse at 10am until they are ready to go. You can also stop in to pay your dues then. Questions? The best way to reach me is by email at membership@yorkiwl.org or by phone or text at 717/818-2764 after 5pm.

Juniors:

Eagle Scout Projects. You may have noticed the Eagle Scout Project signs at the entrance of the club. Yes, we currently have three projects in the works.

Pollinator Garden, bee hive deck and refreshed picnic tables. Scout Hunter Eberly (he is also a member of the Juniors program) from Troop 155 has been working over the course of the summer on his Eagle Scout project. Hunter organized his Troop to redo all of the supports for picnic tables on our club grounds. That's a lot of lumber! If you made it to the Club Picnic you got a chance to eat at the picnic tables and see how nice they look. Hunter also built a deck for the club's beehives to raise them up off the ground. It looks great and the bees really like the deck. By the way we still have honey for sale!!!! Hunter also planted Pollinator Gardens just below the trap range and across the stream in the meadow. That's where all the pretty Black-Eyed Susan's and daisies came from. The Pollinator Garden mix is a mixture of native Pennsylvania wildflowers. Make sure to thank Hunter for his hard work, he's done a great job!

Juniors Clubhouse Floor. Scout Dalton Orwig from Troop 155 has been very productive working on the Juniors Clubhouse. Over the summer Dalton has worked with his Troop to reframe the side walls of the clubhouse floor. This involved opening up the walls and lifting parts of the building to make sure the sills were repaired in preparation for the grand finale, a new floor! Over the next few weeks Dalton will be finishing up his Eagle Scout project. This project is by far a very big project. Thank you Dalton and Troop 155 for all of your hard work!

The archery trail is open and the archery range got a makeover. Scout Ryan Dodson enlisted the help of club members and Troop 50 to work on his Eagle Scout project. The project included placing new roofs on the archery range, resetting the 30 and 40 yard targets (so they no longer lean) and decking out each target with a new roof. The archery trail was opened up providing clear access points from the road. Ryan also installed three rope railings on the steepest slopes of the trail. Make sure to take a look at his hard work and get in some archery practice before archery season! Thanks so much, Ryan!

Juniors Fishing Trip. On **Sunday September 25th**, the juniors will have the annual fishing trip to **Limestone Springs Fishing Preserve**. We need to know who would like to go on the trip by Friday 9/16. **Please call or text Mr. Ted at 717-309-3926 to register.** Registered juniors will meet at the clubhouse that morning so we can promptly leave at **8:00 AM**. For the fishing trip, juniors need to bring a drink and a snack, a fishing rod, bait/tackle and dress appropriately for the weather. Lunch will be provided. We may need some adult volunteers to drive. Only adults with Youth Clearances may attend.

Halloween Party. The annual Halloween party will be Friday, October 21 from 6:00 to 8:00 PM. We are planning some fun activities; so put on a scary costume and stop by for a spooky good time! Feel free to bring a snack or dessert to share.

Firearms' Training & Education:

The TROP Relevant Concealed Carry Class scheduled at the club on September 17th & 18th has been cancelled due to lack of participation. We will look to reoffer the course sometime in the spring. If this interests you, please contact Mike Stephens at mdstephens@skcoinc.com or 717-600-7422

Considering the purchase of your first firearm? Thinking home or personal defense? We will be offering an informal introduction to handguns class, on Sunday October 16th at 1 pm in the clubhouse. Presented by Jack McMillin, a career instructor with Civilian, Law enforcement and military training experience, this will be a classroom only, hands on intro of the various types of firearms one could consider for personal and home defense. There will be a variety of non-functioning firearms available for the student to handle. There will be no live fire at all. Jack will also offer some simple strategies for awareness and a general defensive posture. The cost is \$20 per person, or \$30 for a family. Families with children who may come in contact with firearms in the home are encouraged to attend. If you are interested, please contact me, Gary Swope at ghswope@gmail.com 717-968-2544.

Welcome New Members:

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
