

Here is How You Can Partner with this Ministry!

Remember that Jesus said "For I was an hungered, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in: naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me. Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. Matt. 25: 35-40

Purposes Of A.P.M.

Our Prison Population Is Growing! Alabama State Prisons are growing at an alarming rate. State and Federally funded programs designed to assist in relief for our prisons such as Substance Abuse Program (S.A.P.), Crime Bill, Sex Offenders Anonymous (S.O.A.), Alcoholics Anonymous (A.A.), & Re-lapse Prevention, have a high failure rate. These programs do not truly acknowledge or address the underlying spiritual problem that brings men and women to prison in the first place and that is 'Sin'. A.P.M. is changing that process through the Gospel of Jesus Christ.

To Reach Prison Inmates For Christ! A.P.M. has coordinated with the Alabama Dept. of Corrections (A.D.O.C.) to manage a special Faith / Character Based Honor Dorm (FCBHD). Inmates voluntarily join the FCBHD & Liberty Theological Bible College at no cost to them or their families. Along with other supporting educational ministries, they begin studying in structured Bible classes (or other classes related to the religion of their choice) which are designed to address the sin and spiritual conditions in their lives that brought them to prison. With love, prayer, and support, A.P.M. introduces the message of the Cross in a straight forward and concise manner and then prayerfully leads them to Christ. Our goal is to change their hearts first, then show them how to change their lives.

Aftercare

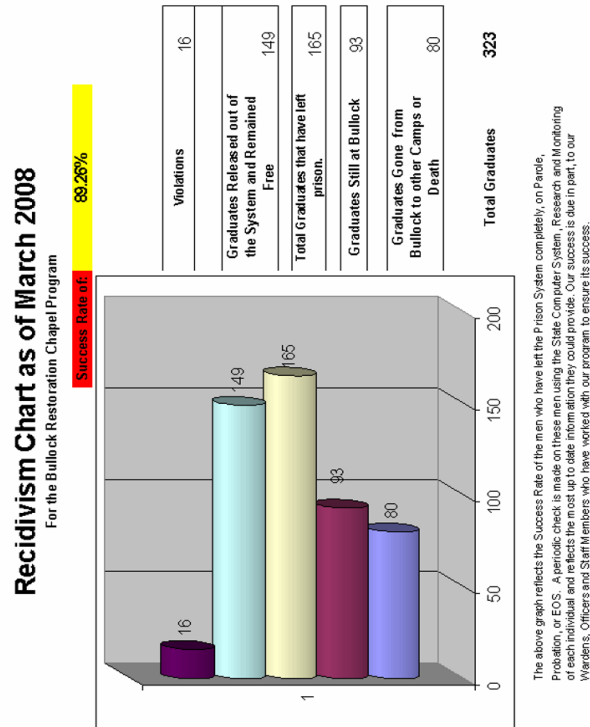

Home-plan & Jobs: A.P.M. has partnered with 'Source of Hope' and 'Shilioni Transformation' ministries to find housing, jobs, and personal support for inmates who have been released from prison. These are aftercare facilities that are also Christian Based and supported to help ensure that inmates stay out of prison.

Our Successes

Recidivism Rate Reduced! A.P.M. has seen the rate of recidivism (the percentage of inmates who return to prison) drastically reduced because of our efforts. 89% of inmates who receive at least one diploma or a degree through our program do not return to prison (See Chart below).

State-wide Implementation: Recently, the A.D.O.C. signed the new 'Administrative Regulation 460' called 'Faith / Character Based Programs'. This new Regulation is patterned directly after the A.P.M. Faith / Character Based Program which we have been faithfully operating for the past 17 years. Our low recidivism rate has caused the A.D.O.C. to have the courage to begin implementing Faith / Character Based Programs in every prison across the State. We have earned the support of Gov. Bob Riley and other members of State Government in implementing the Faith / Character Based Programs.

Finances

Our Budget: A.P.M. is NOT supported by any State or Federal funds. We operate solely on the freewill love offerings and gifts of churches, businesses, and individuals. Dr. Steve Walker, Chaplain, is presently our only medium of fund-raising for A.P.M. with the help of the Board of Directors

- Our operating budget is currently \$3,000 to \$4,000 per month.
- We are in need of \$10,000 per month since the State is implementing the growth of the Faith / Character Based Programs in all Alabama Prisons.

Our Current Needs: A.P.M. has many needs which cannot completely be listed here due to the confines of space. However, we submit to you the most critical of our needs as follows:
