The DSA Judges Sub-Committee is currently a temporary Sub-Committee of the ESA Board, until a new SA Dressage Committee is formed. We will continue working to ensure that Dressage Judge education commitments are carried out.

The Sub-Committee comprises Liz Duncan (Chair), Prue Foletta, Verity Hayman, Fiona Heysen, Lizzie Richards and Louise Allen.

In the absence of a Dressage Committee, any queries about rules can be directed to members of the Judges Subcommittee (Chair - Liz Duncan and other Committee membership above). Queries about Dressage sport administration can be sent by email to the ESA Office ([manager@equestriansa.com.au](mailto:manager@equestriansa.com.au)) and will be attended to. Alternatively contact Board member Stuart Platt directly: [longvalley5255@gmail.com](mailto:longvalley5255@gmail.com).

## Come See Change Masters Games

SFDC is running the **Come See Change Masters Games** on **6 and 7 April**. See the Competition Calendar and SFDC's pages in this issue for more details.

## 2019 State Dressage Championships

MCDC has kindly offered to run the **State Champs** in conjunction with their Autumn Festival on **25 and 26 May**. See the Competition Calendar and MCDC's pages for more details.

You may be wondering why we have included dates from the Wimmera Equestrian Club in the calendar!

*Wimmera Equestrian Club (WEC) is a local Horsham based group. They are a diverse club with members from all different disciplines. WEC holds monthly rallies along with an annual show, stockman challenge, versatility days and casual trail riding. Twelve months ago we renewed our affiliate membership with EA so we could bring some official Dressage competition to our area. We pride ourselves on offering a low key competition, in a relaxed and friendly environment and hope see many new and old faces come and join us again in the Wimmera this year.*

### Wimmera Equestrian Club Dressage

Apart from their Series dates, WEC runs an excellent two day show at the end of October, with two or three "A" level judges from Victoria. Dimboola is about a 4.5 hour drive from Mt Barker and the Oval has a very good grass surface.

**They also offer FEI tests as riders request.** Good quality yards are offered for travelling horses. The town has a close-by caravan park with cabins and a motel. A friendly easy road trip!

There has been some confusion about the size of snaffle bits. Please refer to the tables below which hopefully will make it clearer between EA competitions and FEI sanctioned events / competitions.

# Dressage Judge Activities Update

## February 2019

The new year has rolled in and with it the new 2019 EA Dressage Tests. We are holding a workshop evening on **Tuesday 12 February** at the ESA Office (Mt Barker); 6.30 pm registration for a 7:00 pm start. The presenters will be Barrie Stratton and Prue Foletta, who will cover rule changes and the new tests. Please see further details in the accompanying advertisement. All judges, coaches and riders are welcome. If you want to prepare, go to <http://www.equestrian.org.au/dressage-rules>. If you prefer to see the new tests as diagrams, go to <http://www.dressage.net.au/australiatests.html>.

Planning is in progress for Judge Seminars for 2019. At this stage we can confirm a G / F seminar on **April 28 (Sunday)** with Wendy Barker (A level Judge and JE), at Kersbrook Equestrian Centre. Registration is at 8:30 am for a 9:00 am start. Wendy will also be judging at the MCDC competition on Saturday 27 April, so this is an ideal opportunity for a sit-in or shadow judging.

See the Horse SA website for two events with Workshop status for dressage judges: 1 February is Dr Helen Davies on "Flexion, Bending and Engagement". On 13 - 14 February there are multiple presenters for "Sport Horse Welfare and Social Licence To Operate".

Judge upgrading is a fulfilling but time-consuming exercise. Travelling to Interstate competitions for shadow-judging, sit-ins, or discussion with a mentor is ideal for "getting your eye in". Large Championship classes help the observer-judges to see a wide range of quality horses and the marking for these. In 2016 the SA Dressage Committee approved Judge Levy monies to be allocated to travelling trainee judges, to assist with expenses. In this issue of Moving Forward we have re-printed information for judges to apply for some funding assistance. For upgrading or for continuing education, if you can travel to Victoria or further afield, please plan and apply for some support.

Lilo Fore is back in Queensland again in February, and will be running a workshop on Sunday February 17, which is open to everyone with an interest in dressage. Lilo is an amazing communicator, and has a wealth of knowledge, inclusive of training, riding and judging. For all events happening all around Australia, see <http://www.equestrian.org.au/officials/calendar>.

For those interested in Interstate events, the Sydney CDI is being held from 1- 4 May 2019. This is billed as Australia's premier dressage event. It includes CDI 3\*, CDI-Y, CDI-J, CDI-P, FEI Under 25 Grand Prix Tour, NSW Young Dressage Horse Championships and national competitions from Advanced to Grand Prix. It also includes a Workshop on Sunday, 5 May with Stephen Clarke, FEI 5\* Judge, from Great Britain. A must for all riders and judges.

Also, the following announcement was made by Prue Spurrett, Chair EADC: **Australian Dressage Champs Returning to Sydney for 2019.** *The EADC is pleased to announce that the 2019 Australian Dressage Championships will return to the Sydney International Equestrian Centre from 17 – 20 October 2019. All levels will be on offer, from Novice to Grand Prix, including competitions for Ponies. The 2019 "Nats" will feature a CDI-W, CDI-Y and CDI-U25, with special guest 5\* Judge Maria Colliander from Finland. As a further note, Rudolph Zeilinger will present over two days at the Aust Championships on the 19th and 20th October.*

## COLOURED STIRRUPS AT DRESSAGE COMPETITIONS

There have been a number queries about dressage and saddlery rules for riders at competitions and in particular, rose gold stirrup irons. To see what is or isn't allowed go here:

**Note that stirrup irons should be grey, black or silver as listed in the above link. Rose gold irons may be fashionable but they are NOT permitted in dressage competition.**

**Note: The EA Dressage rules should be read in conjunction with the FEI rules.**

## ***DSA Judge Education Funding***

Dressage SA recognises that Judges need to travel, not just to upgrade, but for professional development and that the costs can be prohibitive. A & B Level exams, and the majority of the associated assignments, can only be done Interstate. The Dressage Committee has agreed that some financial support should be made available with the aim to both grow the total number of dressage judges across all levels and even more importantly, encourage upgrading in this State.

All levels of SA Dressage Judges can apply to DSA for financial help towards expenses, and all applications will be considered on merit, based on the following guidelines:

Consideration will be given to judges who:

- have shown a commitment to developing their dressage judging
- can demonstrate regular attendance and contribution at judge workshops & seminars
- are actively upgrading (or may be unable to upgrade but wish to carry out continuing professional development).

Preference will be given to an expense contribution if:

- the judge is actively upgrading
- more than one judge is travelling in the group and costs are being shared.

Assistance may include but is not limited to, part coverage of expenses incurred when attending seminars, exams and gaining practical experience in the course of gaining the pre-requisite qualifications. Expenses may include travel, accommodation and other approved expenditure.

All candidates seeking financial support must be prepared to travel Interstate to FEI sanctioned events (CDIs) and other major National events such as State and National Championships. There is no cap on the amount of funding that may be granted per scholarship, however, there is an overall annual limit on the pool of funds available for judge support and the amount granted may be a portion of what is applied for.

Each application will be considered on merit however it may not be possible to support every application due to the limit of funds available.

Applications will be considered in order of receipt (and funds paid on completion of the event unless otherwise agreed).

Successful candidates will be asked to provide a report to DSA on the activities undertaken with scholarship funds and keep the DSA Judges' Committee up to date on their progress.

*To apply for funds, please complete the attached application form and return to  
**DSA c/- ESA Unit 10, 2 Cameron Road, Mount Barker SA 5251***

## *The Steward's Role in Maintaining The Social Licence of Dressage*

*By Bronwyn Gillott*

**I apologise for the rather “heavy” sounding title of this article, but if you are reading this, the title apparently hasn’t put you off - so here goes!**

You may already understand the concept of “Social Licence”, but for those who don’t, [sociallicence.com](http://sociallicence.com) provides the definition:

“Social Licence has been defined as existing when a project has the ongoing approval within the local community and other stakeholders, ongoing approval or broad social acceptance”.

The “project” stated in this definition may apply to a business or industry, for example mining or oil exploration, but the concept can also be applied to sport, including equestrian sports such as dressage. Put succinctly in relation to equestrian sports, social licence is the public acceptance of the sport to undertake its activities. A social licence is an unwritten, non-legally binding contract that society consents to.

Everyone involved in dressage has the responsibility to cultivate and sustain the sport’s social licence. The sport has to build and sustain public trust that it is behaving ethically. Welfare of the horse and enforcement of rules and standards on field of play are the two main areas where dressage has the opportunity to publicly

demonstrate ethical behaviour. This is where stewards come in. The role of EA and FEI stewards is to help the riders, prevent a rule infraction or horse abuse issue, and if all that fails, to intervene. The visible presence of stewards at an event is a demonstration to the public that ethical behaviour within the sport is being taken seriously and being monitored.

At lower level events there may be gear stewards who check saddlery and dress for any obvious discrepancy. At higher level events you will likely encounter EA or FEI Stewards who may do a more thorough gear and bit check after your test. Stewards are not being pedantic or nitpicking when they undertake these tasks. They make every effort to ensure a level playing field for all riders, by requiring all to abide by the rules, and also promote horse welfare by checking for things like tight nosebands or blood on the horse.

As a fellow steward once said to me “we are the people who might keep your event out of the newspapers” or even more likely these days, social media. We can all imagine what the consequences of negative publicity might have on the ongoing social licence of dressage.

## *Judges’ Tips For Riders*

*By Helen Whittle*

Any rider likely to ride an Advanced test should be aware of directives given to judges.

There is a movement in canter: *HX On diagonal, Near X Develop very collected canter working half pirouette left approximately 2m Diameter, Proceed collected canter.*

**If you ride past X and do the pirouette, it will incur an error of course.**

Judging recently, a rider came around the corner from C to H, started on the diagonal to X, and the horse responded to the ½ halt by changing legs. The rider rode forward, changed back, clearly felt she was too far on the diagonal, so did a ½ circle to come again and rode a fairly good working ½ pirouette. I gave an error of course and a 7 for the WP. Even though it was a rider friendly decision, this was incorrect judging (I know this because I raised the situation at the recent A/B Seminar in Vic).

The rider had an unfair advantage in resetting the horse up for the WP. I should have given a mark for the first (unattempted) W Pirouette, say 1 out of 10, as although it wasn’t executed, the horse did canter on the line, **and** an Error of course for the ½ circle.

There is a similar movement in the new 2019 tests, so I just thought riders should be aware.

## *Rider Profile: Alex Chapman*

L - R: Alex riding Bear at the Clare Masters Games, Alex Riding Angelina - CVDC, Alex and Jett – CVDC, end with the Marcel Braun & family Special Olympics

**Name:** Alex Chapman

**Age:** 33

**When did you start riding / first mount?** I started riding at 19 when I bought my first horse George but started having lessons a few years ago.

**What disciplines do you / have you ridden?** English – Dressage.

**Tell us about your riding career so far?** I have mainly competed in dressage up to Novice with my superstar older horse Bear and also competed in a few breed shows with my pony Angelina. I have just begun competing in dressage and the odd hack show with my new pony Jett.

They have all taught me different things – Bear has been the school master type but still makes you work for it and is just a total gem. I would have given up riding if it wasn't for him, due to a huge lack of confidence. He is my go-to horse: I wish I could clone him!

Angelina has taught me patience and has been the only horse I have brought on that was green broken – it has been a huge learning curve but very rewarding.

Jett is my new mount and whilst he has predominately been a show pony I can't wait to get him going in the dressage arena. He has a real spunkiness to him and tries very hard.

**What are your most valued achievements?** Receiving a PB of 77% in prelim with my 26 year old horse Bear and also competing at the Masters Games winning a silver medal – also with Bear. Bear also competed in the Special Olympics in 2017 with two riders from Victoria winning a gold, silver and two bronze medals. It was the best experience to see how he took such special care of his riders. With Jett it would be receiving a PB in our first dressage test!

**What are your future aspirations / goals:** To compete an elementary test and to train Jett to the more advanced levels of dressage.

**Where do you see yourself in 10 years time?** Hopefully competing at elementary level!

**What would your dream horse look like?** I have always loved a chestnut with a blaze but in saying that I have my dream horse already!

## President's Report

Happy New Year to everyone.

Our Committee remains the same with no new members nominated from the AGM held at our December competition. As President I would like to thank the Committee for their continued support, hard work and dedication they have contributed towards the running of our Club.

Our January Competition came dangerously close to being cancelled due to high temperatures forecast earlier that week but fortunately with an early start and a large drop in the forecast temperature later in the week it all turned out well. The grounds were in excellent condition from being irrigated and a joy to ride on.

### Our Hot Weather Policy is CANCELLATION IF:

- The Bureau of Meteorology (BOM) 4.15 pm forecast for the Mt Barker area on the Friday before an event ([www.bom.gov.au/sa/forecasts/mount-barker.shtml](http://www.bom.gov.au/sa/forecasts/mount-barker.shtml)) is for a temperature of 36° C or above, or
- The CFS advises there will be Catastrophic fire conditions in the Mt Lofty Ranges for the day of an event, or
- At the discretion of the AHDC Committee if there is a sudden increase in temperature on Saturday night's forecast after a suitable Friday night forecast.
- Updates will be posted on Facebook after 6 pm on Friday and if necessary, after 6 pm on Saturday.

The Strathalbyn Showjumping Club have again put in an enormous amount of work to complete the front row renovation of a second stable block and together with the Show Horse Council Competitors Association financed the materials to do so. They not only look great but provide a much safer place to stable horses on competition days. We are very grateful but do ask that people take care to leave them clean and NOT to tie horses to the mesh between stalls.

A reminder that we have booked the BBQ shed at Woolworths Mt Barker for Sat 11<sup>th</sup> May for a sausage sizzle fundraiser (*proceeds go towards our sand arena*). Please contact either me or Sally if you can spare an hour or two to help so that we can organize a roster from 8.30 am until 4 pm.

The Management Committee for the Strathalbyn Polo and Recreation Grounds have also booked the BBQ shed for Saturday 25<sup>th</sup> May to raise money for the water licence fees. If you are free to help on this day please contact the Committee as above.

April 6<sup>th</sup> will be a Protocol Day and a separate CUR competition. Last year it was more popular than 2017 and was more successful. We have five confirmed coaches for this year: Ruth Schneeberger, Jody Cavuoto, Linda O'Leary, Kerry Kirchner and Esther Cruikshank. Entry fees are more expensive than usual to allow us to hire our instructors but the fee entitles you to spend 30 mins in the arena with one of the above coaches for a critique or coaching session if preferred. This is a wonderful opportunity to introduce an inexperienced horse or rider to a competition atmosphere without any pressure. There is also the option to enter a separate unofficial competition as well (not necessarily with the same judge however - the draw will be determined by the number of competitors and which combinations of classes they enter. Sunday 7<sup>th</sup> April is a normal Competitive / Participant / Closed Unrestricted day.

We are in great need of more official Judges and AHDC is very willing to assist with shadow judging, sit-ins, or upgrades. Please contact me well in advance if you are interested in doing any of the above so that the necessary arrangements can be made with appropriate Mentors or Judge Educators.

At last most people are remembering to Gear Check before EACH TEST including Participant and Unrestricted classes on Competitive Days. PLEASE KEEP IT UP – we do not wish to eliminate any rider but we will uphold the rules. Another rule has been brought to our attention regarding the colour of stirrup irons which must be black, grey or silver – not rose gold. It pays to keep up with the rules!!!!

Until next time, enjoy your beautiful horses - what wonderful animals they are.

Regards

*Wendy Brown*

## Fun, Friendly and Forward Moving

### Welcome To All!

Welcome to 2019! We have an exciting year of events planned: please see the calendar for the dates. Coming up in a few weeks is our annual event, the MSEDCE Extravaganza. Many thanks go to the organisation, timetable and time dedicated by the Committee to get this event underway.

We will be hosting a 4 round Winter Series again this year, SEDA will be running a Spring Series and both events will tally points towards the SE Showdown Trophy.

We welcome all new members and past members alike. If you have any ideas for an event or would like to have input on events or activity days, please send us an email or phone one of the Committee. Our meetings are held monthly - usually in Penola as it seems to be central for the Committee members. Any member can also attend so come along and join us for tea.

We welcome Chloe Kennedy-Jones, who has put her hand up to get our newsletter back on track. THANK YOU CHLOE!!

February will see the annual two-day dressage event at Lucindale Show, offering EA and HRCV tests, the Stockhorse High Point award, Tiny Tots dressage and Twilight HRCV Showing.

Happy riding, FUN, FRIENDLY AND FORWARD MOVING.

- *Kristy Boord* MSEDCE President

**TINY TOTS DRESSAGE AT LUCINDALE SHOW WILL NOW  
BE AVAILABLE ON SATURDAY AND SUNDAY.**

**Rest assured they will not clash with hack rings. Contact  
the MSEDCE Committee for tests and directions.**

## Kristy's Adventure

A dream of mine was to one day ride at Werribee, so I decided that there was no time like the present ... On the 16<sup>th</sup> and 17<sup>th</sup> December 2018 Michelle Ellis and I, with Princess Ava in tow, headed off to the HRCav Individual Showing Championships and the HRCav TTT Showing Championships. The weather was starting to drizzle as we headed east towards the Equestrian Centre in Werribee. Thankfully I had decided to put the back cover on the float as the weather took a turn and absolutely poured and poured. Ava floated like a dream and did not move; however as we headed through the township of Werribee the heavens opened and flash flooding took over the roads! I have never seen so much water around, let alone driving through it with a horse float! It was such a relief to finally pull up and unload at the Equestrian Centre.

With a small break in the rain, we found Ava's stable and settled her in. However, we spent the next 40 minutes waiting for the water to subside so that we could go back to the car and then set up camp... thankfully there were plenty of spare stables for us as the ground was way to wet too roll out the swags. We were very comfortable in our stable and it was nice to be dry.

As the sun rose, the weather also disappeared, giving us an amazing day of competition. Ava was a dream! We placed in all but one class for the day, smartest on parade as we found out afterwards that we missed a grass seed in Ava's tail! We were encouraged by our new-found friends to do the "Mount Most Suitable" which required us to jump! EEK - I haven't jumped since Pony Club days but remembered that Ava had done some jumping and she had enjoyed it, so we did it. It was so much fun! Ava loved that class and as we cantered towards the jump, she took a massive leap and jumped the cross bars with ease. I however let out a little squeal, much to the amusement of the judge, spectators and fellow competitors. At the end of Saturday, Ava and I had an armful of ribbons. We placed 1<sup>st</sup> in the Led Horse and Champion Led Level 4, 4<sup>th</sup> in the Ridden Mount, 2<sup>nd</sup> in the Rider Level 3 and 3<sup>rd</sup> in the Mount Most Suitable. We had 20 horse and rider combinations in our section and we finished 3<sup>rd</sup> after the day's events.

Sunday - wow what a day! So many beautiful horses. TTT Showing -I was placed in a composite team with the Western Port Show Girls. Ava again worked amazingly and I was so proud of her.

We placed in every class we entered, coming away with better results than Saturday. 1<sup>st</sup> in the Smartest On Parade Level 4, 1<sup>st</sup> in the Led, 2<sup>nd</sup> in the Mount Most Suitable, 3<sup>rd</sup> in the Rider Level 3 and 2<sup>nd</sup> in the Ridden Mount. We again had 20 riders in our section and we finished 4<sup>th</sup>! Our team finished 4<sup>th</sup> out of 45 teams! WOW! An amazing sash and prizes galore! Thank you to Horsham and District Riding Club for hosting such a fun and friendly two day event, to all the sponsors for their support of this event and our new friends who I cannot wait to have more champagne and pizza with and the lions for reminding me how close we were to the Zoo ...

I had such an amazing experience and made so many new friends. I cannot thank Michelle enough for being my support crew, my strapper and my friend. I am already looking forward to attending next year's HRCav Showing and TTT Championships.

## Committee Chatter

This year's Committee has accepted the challenge of technology and convenience by bringing you online membership renewals. These membership renewals are via the Nominate platform and allow you to re-join / join with ease. You can use this service to pay via direct deposit or credit card, enabling ease of payment for you. Another big reason for the shift was the ability to track memberships to ensure that the club retains up to date records and membership details without the burden of piles of paperwork.

To join all you need to do is head to the Nominate website ([www.nominate.com.au](http://www.nominate.com.au)), scroll down and hover over the "Clubs" picture, and click 'Join a Club'. This will then take you to a list of all the clubs who do their membership online and you just scroll down to the Mid South East Dressage Club Inc. and click 'Join'. From there just follow the directions to join. The direct address for this page is <https://nominate.com.au/Clubs/RegistrationInformation.aspx?CID=127>.

If you have any concerns or questions don't hesitate to contact Linda Archer at [treasurer@msedc.org.au](mailto:treasurer@msedc.org.au). In the future we plan to use Nominate for some competitions, especially our big September event, which we hope to have fully ratified and open in the coming months.

Thanks

## From The Committee

We hope everyone had an enjoyable festive season and are managing to get some riding in during the heat wave because ...

Just when you thought it was safe to leave your horse turned out for a while longer ... FANFARE PLEASE!!!

Just when you were under the impression it wasn't going to happen this year, we at Mount Crawford Dressage Club are pleased to announce that, in what promises to be THE PREMIER EVENT on the South Australian Dressage calendar, the **STATE DRESSAGE CHAMPIONSHIPS will be run in conjunction with the MCDC Autumn Festival of Dressage and second leg of the Triple Crown Challenge for 2019, will be run on 25 and 26 May.**

This event is going to be HUGE with more classes, more horses, more riders, more sponsors and more opportunities for retail therapy in the Trade Fair. We feel honoured to be given this opportunity and happy that we can offer this to the South Australian dressage community, and judging by the number of entries we received for our January competition, the dressage community is happy too!

February 16 is the Wirrina Cove Holiday Park Dressage at Dawn and Dusk. Incorporated into the event is the our Young Dressage Horse and Pony Classic and the first leg of Triple Crown for 2019. There will be a wonderful evening full of freestyles and FEI dressage, so spectators - come on down for a meal and an evening of entertainment. Presentations for our first ever Triple Crown winners from last year will happen at the dusk competition. The winners from each grade will be presented mounted (although not necessarily on the winning horse), a lot of work and preparation has gone into organising and collating results from our 3 Triple Crown competitions so it will be awesome to do the presentations with all 6 winners mounted with their prize rugs on.

The Club Championships are on April 27, this is open to MCDC CUR and Competitive members. Horseland Mount Barker has once again come on board as the sponsor of our Club Championships, and rugs will be awarded to our Champions.

The first Training day for the year has been run and as usual spots filled fast and the February one is nearly full already!!

Grounds improvements are ongoing with undercover yards and stables nearing completion and more water tanks and a wash-bay. Our groundsman Bill Henderson has been kept busy and we thank him for working through the horrible heat we have just had. He always has our grounds looking something to be proud of, a fitting showcase for the cream of the crop of dressage horses and riders strutting their stuff in May.

Bring it on!!!!

## Training Days

The first Training Day of the year was on 12th January with Sean Cooper. Lessons were flatwork and polework. The day went really well: it was a lovely coolish morning with a very pleasant breeze that kept most of the flies away. The members taking part enjoyed the lessons and it was great to see so many riders helping with getting the poles out and back into the shed. Many thanks to these riders for helping out, many hands make light work.

Bill the groundskeeper was working hard (as always), starting early at around 6:00 am and working on the new stable block. It was a lovely relaxed day with

plenty of time for socialising.

We have a few exciting Training Days coming up in 2019, with Interstate instructors Wendy Barker and Catherine Davis on February 17th, the day after the Dawn and Dusk event. We have also planned an overnight camp on March 16th and 17th, with lessons late afternoon / evening and the following morning. So far

we have secured Lucy Williams for the Saturday evening and are currently finalising an instructor for the Sunday morning. Members can choose to do lessons on either day, and can stay at the Club grounds overnight or just come for their specified lesson time. We are also looking at having this event catered, with dinner and breakfast being supplied.

As always, the MCDC Training Day Sub-Committee welcomes any new ideas or feedback from our members, so please feel free to contact us:

### Dressage Club of SA Committee Report

#### FEBRUARY SHOW

Our February Show is open for entries on [Nominate.com.au](http://Nominate.com.au). Entries close Friday, Feb 8<sup>th</sup>.

#### SHADOW JUDGING

Judges continue to be difficult to source in SA. We are quietly confident that members of the dressage community will start their judge's journey and we welcome shadow judges at any of our shows. If you are looking for shadow judging opportunities, please don't hesitate to contact us and we will do our utmost to place you in the relevant arena. We look forward to welcoming more future judges in 2019.

#### HORSE OF 2019 AND RIDER OF 2019

DCSA is introducing our new annual prizes: Horse Of 2019 and Rider Of 2019! To be eligible, you need to ride tests with DCSA. If you're FEI, EA, OTT or a Club rider, each test you ride throughout the year will collect points. The Horse and Rider (separately) with the most points will win. First points can be won in February!

#### HOTY

We usually hold our ESA Horse of the Year Show in November but in response to suggestions to improve horse welfare, we have decided to hold 2019's HOTY show in October. Keep an eye out for the details in upcoming Moving Forward editions.

#### GROUNDNS

Grounds continue to be an important issue for DCSA and we are working towards a permanent home. To this end, we welcome rider feedback and look forward to our first two shows of 2019 at Oakbank and the Indoor Classic at McLaren Park.

#### WEBSITE

Don't forget our website is up and running. Check out [dressageclubofsa.weebly.com](http://dressageclubofsa.weebly.com) for all things DCSA, including results, photos and more.

Looking forward to seeing you at our next show!
