

Western Revue

Take it away with one of the best revue's out there! Food and decor... what more could you ask for? How about a country "hoe-down" like no other? Country line dancing, Square dance calling, Clog dancers, and of course those great country fiddle bands. Barbecue...great giveaways...bandannas, gallon hats, sheriffs' badges? You could enhance this revue with great scenery and lighting! Similar to what you would see on the set of "Oklahoma"! Or have the party at a local "dude ranch" horses and all.
