
AS THE WOOD TURNS

August 2012 - Issue number 181 - Minutes of the July 28, 2012

Next Hands On : Saturday, August 18th 10am until noon. *We invite beginning turners to a learning opportunity at the next Hands On. This instruction will be one on one. Spindle or bowl turning techniques will be covered. Please reserve your lathe with David Rice at dergas5@aol.com.*

GET WELL JANE !!!

Bob and Carol Scott with their homemade root beer keg and ice cream

Nigel's party July 28th was a well attended affair. There was a hands on, a tools for sale flea market, an Ellsworth bowl raffle, plenty of food and much cheer among the attendees.

Upcoming events-

August 17-26, Marshfield Fair may still be looking for turners to staff the booth by the main entrance and also sell your wares. All items for sale should have your name on them and your price. You should also have a list

Ellsworth raffle - Bob Trucchi was the grand prize drawing winner of the David Ellsworth natural edge signed bowl. Congratulations Bob! The club raised \$360.00 from the raffle.

Congratulations to another Bob, Bob Sutter for his article on Treen ware in the current edition of the AAW magazine.

New Business –

This past Tuesday the club officers met at Hank's and is proposing (to be discussed and voted on at the next meeting) the following with regard to the holiday party gift grab at Hank's:

Participating members should come to the party with their object in a paper bag with a long string tied around the neck for placement in a large box.

- 1.- You must put something into the box if you want to take something out.
- 2.-It must be something you made
- 3.- No uncompleted work please.
- 4.- No kits for someone else to assemble
- 5.- No IOUs on an item to be made later.
- 6.- No bag diving
- 7.- You do not have to be present to take part, you can designate someone to act on your behalf.

Reminder – 10% of the individual sales made at the garage sale / flea market at our party is supposed to be donated to the club for hosting the sales.

Club Shows- for reimbursement purposes, we need a “paper trail” that is correspondence to a club committee member with acknowledgement that the club plans to participate. This is important for functions sanctioned by the club as opposed to a member or members doing a show on their own. If club money is to be spent for a show it should be discussed in advance among members.

Demo Day - The club is proposing January 26, 2013 as Demo Day. We plan to have three demos in the morning and three in the afternoon to raise money for the club. Inclement weather back up date will be February 2nd. Cost for members is \$25 to attend, \$35 with lunch included.

Some photos from the July Hands on

Paul O'Neil turning a Butternut bowl on Nigel's lathe

Ian and William Shrek (Emilio's grandson) with William's small cup that he turned at the hands on portion of the party

Lenny Mandeville and Mike Veno setting up for top turning

Matt Cooke who was also busy turning a shallow bowl

Glenn Shaffer trying out Nigel's lathe
