

Kara Ann Kloiber Memorial Scholarship for CCHS Students

In 1998, family and friends of Kara Kloiber '93 established a scholarship in her memory. Each year tuition assistance has been awarded to students who exemplify Kara's love of CCHS. To Kara, CCHS was a faith community, a place where friendships lasted forever, and friends and faculty became family. Kara died tragically in an automobile accident in August 1997 and would have chosen to be remembered as a young girl who loved life and was grateful for all the blessings bestowed upon her. Kara cherished her time at CCHS and would be proud to know that we continue to help others in her name.

Criteria

- Applicant is required to have participated in the FACTS tuition assistance program application process through MACS. Any questions regarding FACTS should be directed to MACS office. Note it is not required that the applicant was awarded assistance funds through MACS, just that the application was submitted and processed.
- Applicant must be a current CCHS student in good standing.
- Application must be completed by the student, though a parent/guardian signature is required.

Application Process, Guidelines, and Timeline

- Applications are available online at cchsfoundation.org or in the CCHS Guidance Counselors' office.
- Applications are **due by September 30th**. Award decisions will be made and applicants notified by November 1st with awards applied at some point after that date. Occasionally there are unforeseen circumstances presented after this timeframe. Those requests are treated on a case by case basis.
- **A completed application may be submitted to the CCHS Foundation by handing it in to the Guidance Office receptionist in a sealed envelope, labeled "CCHS Foundation – Kara Ann Kloiber Memorial Scholarship".**
- If any part of this application is missing, we will notify the applicant and allow 5 business days for the submission of the missing materials.
- Applicants are eligible to receive assistance funds one time from **one** CCHS Foundation source per academic year toward tuition balances. This includes, but is not limited to, the Kara Ann Kloiber Memorial Scholarship and Tuition Assistance for Teachers' Student(s).
- All funds are held by the CCHS Foundation and all awards are paid directly to MACS on behalf of the student. Tuition assistance is provided per family, not per student. Tuition assistance is applied to the MACS family balance.

We hope CCHS students know, as Kara did, what a privilege it is to be a part of a caring environment that makes a significant difference and remains with you always. May you one day return to your Catholic community offering all that you can to help make a difference.
