ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest,

VOL 8391 PG 1117

costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, and of the homes situated upon the Properties.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Three Hundred Ninety-Six Dollars (\$396.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice & Quorum for Any Action Authorized under Sections 3 & 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty per cent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Rate of Assessment. Both annual and special assessments must be fixed at uniform rate, to be collected on a monthly basis, for all Class A Lots, and Class B Lots, provided, however, that the assessments on all Class B Lots shall be fixed at twenty-five per cent (25%) of the amount of the assessments upon all Class A Lots.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of

Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors, and, unless otherwise provided, the Association shall collect each month from the owner of each Lot one twelfth (1/12) of the annual assessment for such Lot. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment which is not paid within thirty (30) days after the due date shall bear interest from the date of delinquency at the rate of Seven per cent (7%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the CROWN RIDGE TOWNHOUSE ASSN., INC., or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien on a real property, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The Lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Lot owners. The Association, acting on behalf of the Lot owners shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same; and to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding nonpayment of such defaulting owner's portion of the premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority, the Common Area, and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Management Agreements. Each Owner of a Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association. A copy of all such agreements shall be available to each owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be cancelled, prior to the expiration of said agreement, by an affirmative vote of sixty per cent (60%) of the votes of each class of the Members of the Association. In no event shall such management agreement be cancelled prior to the effecting by the Association or its Board

VOL 8391 PG 1119

of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Association or its Board of Directors to effect a new management agreement prior to the expiration of any prior management contract. Any and all management agreements shall be made with a responsible party or parties having experience adequate for the management of a project of this type.

Section 12. Insurance Assessments. The Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain insurance for all the buildings owned by the Association against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering all Common Area, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance shall be common expenses. All such insurance coverage shall be written in the name of the Association as Trustee for each of the townhouse owners in equal proportions. It shall be the individual responsibility of each owner at his own expense to provide, if he sees fit, hazard insurance, homeowner's liability insurance, theft and other insurance covering personal property damage and loss.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good condition as formerly. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a Federal governmental agency, with the provision agreed to by said bank or institution that such funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors shall advertise for sealed bids with any licensed contractors, and then may negotiate with any contractor, who shall be required to provide a full performance and payment bond for the repair, reconstructions or rebuilding of such destroyed building or buildings. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly, the Board of Directors shall levy a special assessment against all members of the Association, as established by Article IV, Section 4, above, to make up any deficiency for repair or rebuilding of the common area.

ARTICLE V

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location

within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VI

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who make use of the wall in equal proportions to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful acts causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators. Should any party refuse to appoint an arbitrator within ten days after written request therefor, the Board of Directors of the Association shall select an arbitrator for the refusing party.

ARTICLE VII

EXTERIOR MAINTENANCE

In addition to Maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows: Paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, and other exterior improvements. Such exterior maintenance shall not include glass surfaces, screens and screen doors, exterior doors and window fixtures and other hardware and patios.

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such lot is subject.

ARTICLE VIII

USE RESTRICTIONS

Section 1. Said property is hereby restricted to residential dwellings for residential use. All buildings or structures erected upon said Property shall be of new construction and no buildings or structures shall be moved from other locations onto said Property and no subsequent buildings or structures other than townhouse apartment buildings, being single family townhouses joined together by a common exterior roof and foundation, shall be constructed. No structures of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any portion of said Property at any time as a residence either temporarily or permanently.

Section 2. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions and provisions hereof.

Section 3. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for Declarant or the Builder of said Townhouses to maintain during the period of construction and sale of said Townhouses, upon such portion of the premises as Declarant deems necessary, such facilities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the construction and sale of said Townhouses, including, but without limitation, a business office, storage area, construction yards, signs, model units and sales office.

Section 4. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said Lots, except that dogs, cats, or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purpose.

Section 5. No advertising signs (except one of not more than five square feet "for rent" or "for sale" sign per parcel), billboards, unsightly objects, or nuisances shall be erected, placed or permitted to remain on said Property, nor shall said Property be used in any way or for any purpose which may endanger the health or unreasonably disturb the Owner of any Townhouse or any resident thereof. No business activities of any kind whatever shall be conducted in any building or in any portion of said Property; provided, however, the foregoing covenants shall not apply to the business activities, signs and billboards, or the construction and maintenance of buildings, if any, of Declarant, its agents and assigns during the construction and sale period, and of CROWN RIDGE TOWNHOUSE ASSN., INC., a non-profit corporation incorporated or to be incorporated under the laws of the State of Texas, its successors, and assigns, in furtherance of its powers and purposes as hereinafter set forth.

Section 6. All clotheslines, equipment, garbage cans, service yards, woodpiles, or storage piles shall be kept screened by adequate planting or fencing so as to conceal them from view of neighboring Townhouses and streets. All rubbish, trash, or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. All clotheslines shall be confined to patio areas.

Section 7. Except in the individual patio areas appurtenant to a Townhouse, no planting or gardening shall be done, and no fences, hedges or walls shall be erected or maintained upon said Property except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Association's Board of Directors or their designated representative. Except for the right of ingress and egress, the Owners of Lots are hereby prohibited and restricted from using any of said property outside the exterior building lines, patio and carport areas, except as may be allowed by the Associa-

tion's Board of Directors. It is expressly acknowledged and agreed by all parties concerned that this paragraph is for the mutual benefit of all Owners of lots in Crown Ridge, and is necessary for the protection of said Owners.

Section 8. Maintenance, upkeep and repairs of any patio, screens and screen doors, exterior door and window fixtures, and other hardware shall be the sole responsibility of the individual owner of the Lot appurtenant thereto and not in any manner the responsibility of the Board of Directors. Any cooperative action necessary or appropriate to the proper maintenance and upkeep of the Common Area and all exteriors and roofs of the Townhouses, including but not limited to, recreation and parking areas and walks, shall be taken by the Board of Directors or by its duly delegated representative.

Section 9. All fixtures and equipment installed within a Townhouse, commencing at a point where the utility lines, pipes, wires, conduits or systems enter the exterior walls of a Townhouse, shall be maintained and kept in repair by the Owner thereof. An Owner shall do no act nor any work that will impair the structural soundness or integrity of another Townhouse or impair any easement or hereditement, nor do any act nor allow any condition to exist which will adversely affect the other Townhouses or their Owners.

Section 10. Without prior written approval and the authorization of the Board of Directors, no exterior television or radio antennas of any sort shall be placed, allowed or maintained upon any portion of the improvements to be located upon the Property, nor upon any structure situated upon the Property other than an aerial for a master antenna system, should any such master system or systems be utilized and require any such exterior antenna.

Section 11. No action shall at any time be taken by the Association or its Board of Directors which in any manner would discriminate against any Owner or Owners in favor of the other Owners.

ARTICLE IX

EASEMENTS

Section 1. Each Townhouse and the property included in the Common Area shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the Declarant. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event the multi-family structure containing two or more Townhouses is partially or totally destroyed, and then rebuilt, the owners of the Townhouses so affected agree that minor encroachments of parts of the adjacent Townhouse units or Common Areas due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist.

Section 2. There is hereby granted an easement to all police, fire protection, ambulance and all similar persons to enter upon the private drives and common area in the performance of their duties. Further, an easement is hereby granted to the Association, its officers, agents, employees, and to any management company elected by the Association to enter in or cross over the common area provided for herein. Further, a blanket easement is hereby granted to Southwestern Bell Telephone Company to erect and maintain the necessary poles and other necessary equipment on the common area and to affix and maintain telephone wires, circuits and conduits on, above, across and under the roofs and exterior walls of said Townhouses.

Section 3. Underground Electric Service:

A. Underground single phase electric service shall be available to 133 residential townhouses on the aforesaid lots and to the recreation building to be constructed on the Common Area, and the metering equipment shall be located on the exterior surface of the wall at a point to be designated by the utility company. The utility company furnishing the service shall have a two (2) foot wide easement along and centered on the underground electric power service conductors installed from the utility company's easement to the designated point of service on the townhouse structure.

B. For so long as such underground service is maintained, the electric service to each townhouse and the recreation building shall be uniform and exclusively of the type known as single Phase, 120/240 volt, 3 wire, 60 cycle alternating current.

C. Easements for the underground service may be crossed by driveways and walkways provided the Declarant or Builder makes prior arrangements with the utility company furnishing electric service. Such easements for the underground service shall be kept clear of all other improvements, including buildings, patios, or other pavings, other than crossing walkways or driveways, and neither Declarant nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees, or servants to shrubbery, trees, flowers, or other improvements of the Owner located on the land covered by said easements.

ARTICLE X

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 6. Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either
