

# COVID-19 Screening Questionnaire

Please complete before entering the child care/day camp/school setting.

Updated July 19, 2021

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Time: \_\_\_\_\_

## 1. Does the child/student have any of the following new or worsening symptoms?

**Fever > 37.8°C**

 Yes  No

**Cough**

 Yes  No

**Difficulty breathing**

 Yes  No

**Decrease or loss of taste/smell**

 Yes  No

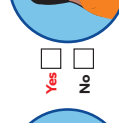

**Sore throat or pain swallowing**

 Yes  No

**Stuffy or runny nose**

 Yes  No

**Nausea, vomiting or diarrhea**

 Yes  No

**Headache\***

 Yes  No

**Feeling unwell, muscle aches or tired\***

 Yes  No

Children/students who have an existing health condition identified by a health care provider that gives them the symptoms should not answer "Yes," unless the symptom is new, different or getting worse.

\*If the child/student is 12+ years old and has a mild headache, tiredness, sore muscles or joints within 48 hours after getting a COVID-19 vaccine, they should select "No" and wear a fitted mask when at child care/day camp/school. If symptoms last longer than 48 hours or worsen select "Yes."

**If "YES" to any symptoms: Stay home & self-isolate + get tested or contact a health care provider**

## 2. Does anyone in your household have one or more of the above symptoms and/or are waiting for test results after experiencing symptoms?

- If the child/student is fully vaccinated\*, select "No."
- If the household member's mild headache, tiredness, sore muscles or joints occurred within 48 hours after getting a COVID-19 vaccine, select "No." If their symptoms last longer than 48 hours or worsen, select "Yes."

## 3. In the last 10 days, has the child/student tested positive on a rapid antigen test or a home-based self-testing kit?

- If the child/student has since tested negative on a lab-based PCR test, select "No."

## 4. Has the student/child been notified as a close contact of someone with COVID-19 or been told to stay home and self-isolate?

- If the child/student is 12 years of age and older and fully vaccinated\*\* with a COVID-19 vaccine and have not been advised to self-isolate by public health, select "No."

## 5. In the last 14 days, has the child/student travelled outside of Canada AND been advised to quarantine per the federal quarantine requirements?

- If "YES" to questions 2, 3, 4 or 5: Stay home + follow Toronto Public Health advice

\*Fully vaccinated is defined as an individual ≥14 days after receiving their second dose of a two-dose COVID-19 vaccine series or a single dose of a one-dose COVID-19 vaccine series.

# MY CHILD/STUDENT HAS 1 OR MORE SYMPTOMS OF COVID-19, WHAT SHOULD I DO?

Updated July 19, 2021

## Was the child/student a close contact of someone who tested positive for COVID-19?

### YES

- Everyone, including household members, should stay home & self-isolate. Get your child tested.
- If positive, notify the child/student's child care/day camp/school of the positive result. Toronto Public Health will follow up with further instructions.
- If negative, the child/student will still need to self-isolate for 14 days from last exposure to the person who was positive. Any household members can go to child care/day camp/school/work but must not leave the home for other non-essential reasons. If the child/student is fully vaccinated\*\*, they may return to child care/day camp/school 24 hours after their symptoms have started improving.
- If your child/student is not tested they need to self-isolate for 10 days. Household contacts will also need to stay home and self-isolate for 14 days.

### NO

- Notify the child/student's child care/day camp/school that they have symptoms.
- The child/student should stay home, self-isolate & get tested.
- Anyone in the household who attends a child care/day camp/school setting must also stay home and self-isolate until the child's test is negative.
- If the child/student is 12+ years old and has a mild headache, tiredness, sore muscles or joints within 48 hours after getting a COVID-19 vaccine, they should wear a fitted mask when at child care/day camp/school. If symptoms last longer than 48 hours or worsen, they are to stay home, self-isolate and get tested.

## What was the result of your child/student's COVID-19 test?

### POSITIVE

- Let your child/student's child care/day camp/school know that they tested positive for COVID-19.
- The child/student must stay home & self-isolate for 10 days from the day their symptoms started. They can return to child care/day camp/school after 10 days even if someone else at home develops symptoms.
- Household members & close contacts must self-isolate for at least 14 days.
- Toronto Public Health will contact you to do an investigation & will provide further instructions.

### NEGATIVE

- The child/student may return to child care 24 hours after their symptoms started improving.
- Siblings and adults who attend a child care/day camp/school setting can return right away as long as there are no other household members with symptoms.

### NOT TESTED

- The child/student must stay home & self-isolate for 10 days from the day symptoms started. After 10 days, the child/student can return to the child care/day camp/school setting if their symptoms are improving.
- Everyone in the household must self-isolate until the child/student with symptoms gets a negative COVID-19 test or 14 days have passed.
- If a health care provider has diagnosed a condition that isn't related to COVID-19, the child/student can return to child care/day camp/school 24 hours after their symptoms improve. Household members do not need to stay home.

## IF YOU TRAVELLED OUTSIDE OF CANADA IN THE LAST 14 DAYS:

- They are required to stay home for 14 days even if they test negative. Their household members should stay home except for essential reasons while the child/student is in self-isolation. Essential reasons include attending school/child care/day camp/work and essential errands such as obtaining groceries, attending medical appointments or picking up prescriptions.
- If the child/student is exempted from federal quarantine as per Group Exemptions, Quarantine Requirements they do not need to isolate and their household members do not need to stay home.
- If the child/student has symptoms even if they are exempted from federal quarantine, they should get tested and their household members should self-isolate until the child/student's test is negative.

# Jackman Daycare Health Pass

July 2021

The most important thing families can do to help slow the spread of COVID-19, is to screen their children daily for any COVID-19 symptoms and keep them home from daycare if they are sick or have had close contact with anyone diagnosed with COVID-19.

Review this COVID-19 checklist daily with your child. Sign\* below each day to confirm that your child does not have any symptoms or have had other exposure to COVID-19. We all have a role in keeping our daycare safe and healthy. Please fill out one per child.
