(The golden thread running through the lesson)

. . . You are the children of the living God!

Responsive Reading: Isaiah 42:8; 43:4 (to :), 6 *bring*, 7, 10, 21;
49:15, 16 (to ;)

8 I am the Lord: that is my name: and my glory will I not give to another,
neither my praise to graven images.

**4 Since thou wast precious in my sight, thou hast been honourable,
and I have loved thee:**

6 . . . bring my sons from far, and my daughters from the ends of the earth;

**7 Even every one that is called by my name: for I have created him for
my glory, I have formed him; yea, I have made him.**

10 Ye are my witnesses, saith the Lord, and my servant whom I have
chosen: that ye may know and believe me, and understand that I am he:
before me there was no God formed, neither shall there be after me.

**21 This people have I formed for myself; they shall shew forth my
praise.**

15 Can a woman forget her sucking child, that she should not have
compassion on the son of her womb? yea, they may forget, yet will I not
forget thee.

16 Behold, I have graven thee upon the palms of my hands;

Scientific Statement of Being

(Science and Health with Key to the Scriptures, Page 468:9 (front of Hymnal & Website)

Correlative Scripture: I John 3:1-3 (*GNB*)

See how much the Father has loved us! His love is so great that we are called God's children—and so, in fact, we are. This is why the world does not know us: it has not known God. My dear friends, we are now God's children, but it is not yet clear what we shall become. But we know that when Christ appears, we shall be like him, because we shall see him as he really is. Everyone who has this hope in Christ keeps himself pure, just as Christ is pure.

Tithing info: This Christian Science Church tithes 10% of our collection each month to a specific local, national, or global organizations whose mission we support. Our tithing recipient for **March** is the **R Star Foundation Project in Nepal**. R Star Foundation, run by Rosalind Russell, is an organization that helps women and children in Nepal. Its primary objectives are the empowerment of women, the education of children in rural villages, and the promotion of peace. The Top of the World School, operated by the foundation, is one of the leading schools in the region. The school sustained minimal damage during the earthquakes (which they are hoping to repair soon) and has reopened; however, the majority of the students' families lost their homes and R Star is helping to rebuild the village as well as surrounding areas.
