DIVERSITY IS GOOD BUSINESS

DIVERSITY IS ITS OWN REWARD!

Diversity is the variety of attributes, backgrounds, cultures, and ideas brought by individuals to any situation. A healthy community requires an inclusive climate built on a foundation of trust and respect for individual assets, talents, and perspectives. Diversity and inclusion add significant value to our organizations and community by maximizing everyone's contribution to a shared quality of life!

Connect: Individual Membership in Colorado Springs Diversity Forum is a powerful experience, one we can share with others. CSDF provides opportunities for its members to develop interpersonal skills, express their individuality, and support one another's unique contributions to our community. Becoming an individual member of CSDF makes a statement about the strength of your values and the importance of having a voice. Every achievement and celebration becomes a personal accomplishment. Each challenge becomes a personal investment in our communal future.

Include: Business Membership in Colorado Springs Diversity Forum provides many rich rewards. Every business in the Pikes Peak region shares the same talent pool, the same benefits and concerns, the same cultural landscape. CSDF provides a forum for discussion and a platform for community dialog on diversity. On this basis, Forum members are better able to plan the human and financial resources necessary to reach their goals and objectives. The stronger CSDF is the stronger our community is, and the better positioned to compete in the global marketplace.

Engage: Sponsorship of Colorado Springs Diversity Forum initiatives underscores the importance of what CSDF brings to the region. Large and small entities alike make powerful allies for diversity in every aspect of community life and in every enterprise. CSDF initiatives reach into all parts of the community, drawing participation across social, cultural, and generational lines. Individuals come to know your organization through the CSDF lens, improving their understanding of your commitment to the community: we lift each other up when we partner to discover and celebrate our diversity. Every cent of your sponsorship is invested in doing just that.
