

VRES PTA Newsletter 5/25/17

What's Happening at VRES?

Your Help is Needed!

Did you know that we have over 50 volunteers who run all of the PTA Education & Services Programs, Fundraisers, and Social Events? That is a lot of volunteers! Several of our volunteers are ready to step down from being a Chair / Co-Chair so we have a number of openings. This is a great way to become more involved at VRES, get to know the teachers and staff, and to be actively involved helping our students and the VRES community. We would love to see some new families get involved; many jobs require a short time frame of work and are great for working parents as well as stay at home parents. Please consider giving of your time in this manner: if we do not find the volunteers then these areas may not be able to continue in the future.
