

LET'S TALK ABOUT SALONS ENERGY

Q: Do I Have A Choice for my Electricity?

a: Yes! If you are in a deregulated market, then you have over 50 electricity providers to choose from that should **work to earn** your business. Salons Energy **is specifically for you** and will get the best rate available!

(See deregulated cities listed by clicking on the Texas flag on our website)

Q: Can I get a quote from Salons Energy if I am currently under contract with another company?

a: Yes! No Problem! As long as you are **within 18 months** of your contract renewal date, then you are able to take advantage Salons Energy **Securing you a LOWER FUTURE Rate at TODAY'S BEST OFFERS**. Doing so fully **protects** your company from the risk of future rising energy costs.

Q: If I call direct to the energy company, won't I get a better price?

a: No. Not necessarily. Energy companies rely on brokers for much (and in some cases all) of their business. Therefore, calling direct could put you at a disadvantage. When being represented by Salons Energy, you benefit from **real-time access** to multiple energy companies. This **simultaneously** ensures the best results for your business. We hold the **relationships** and **leverage** in the industry to deliver **the best deals** in the market!

Q: Is there an upfront cost for Salons Energy to find the best price for my company?

a: No. Our goal is to provide the best price to you **without** any obligations on your behalf. The Final Choice will **always be yours** to make from the leading offers - **without any extra fees** on top of what we propose!

Q: How do I know that I am getting the best rate?

a: The Salons Energy Team is armed to "**Fight Your Energy Battles**" for you. Energy providers **must earn your business** when they know they are price competing against each other. When Salons Energy is involved, they realize they are just 1 of up to 25 electricity companies **in the battle**.
