Helping our nation's 4-legged heroes one dog at a time!

Military Working Dogs, Contract Working Dogs, Police, TSA, S&R and all other Law Enforcement K9s

Letter from the President

Friends and Supporters,

The past year has been an extremely active year for Gizmo's Gift. 2015 took us all around the nation, to the West Coast, East Coast, and of course our home state of Texas. We are currently supporting 27 retired working dogs who have served in our military and civilian law enforcement. Sadly three of our supported heroes, Bruno, Bojar and Hugo, passed away in 2015. We were also called upon and honored to help with the end of life expenses of retired MWD Drak.

I am humbled and honored to be able to work with our team members. They are passionate and dedicated to the mission and the general welfare of all of our supported heroes. Our team members in 2015 included Jill, Kamrien, Kathy, Jen, Selina, Ryan, Johnny, Jeanie, Olivia, Taylor, Jen, Eric, Marissa, Lora, and Grant. Together we have managed to build a solid foundation for this worthy cause and have provided much needed assistance and education to the working dog community. Our team is comprised of volunteers allowing us to focus our resources to the heroes we support.

In addition to the heroes and their families we serve, our board was busy in 2015 with efforts to strengthen our organization that included:

- Filing for and obtaining our 501(c)(3) Tax Exempt Status,
- Developing and building teams to help manage accounts and spread our mission,
- Increasing our events around town and the nation to help generate donations and support for our heroes and mission, and
- Educating the public on what our mission is and how we intend to complete it.

We believe in operating Gizmo's Gift as effectively and efficiently as possible. Gizmo's Gift provides services to a handful of our nation's working dogs and we are hoping that 2016 will bring even more heroes to GG. We could not offer the support we do to these heroes without the commitment of our volunteers. We also could not operate without the financial support of our donors. To those of you who have donated financially, or with your time and talents, we thank you and are so appreciative of your devotion.

To those of you who are not involved, I ask you to consider volunteering, and/or financially contributing to our mission and our heroes so we may continue to offer free medical care and transportation for our supported heroes. I would like to also encourage you to help spread our mission and educate your community on the heroic deeds of our nation's working dogs by sharing our posts, videos and photos via our social media pages with your local friends, coworkers, and community.

2016 is sure to be another great year for GG and our heroes. We have many events already planned for the coming year and we are also continuing to grow our local relationships and build new ones around the nation. Gizmo's Gift is in the process of growing and expanding with our team members, and we are all looking forward to a fantastic year serving our 4-legged heroes!

Lisa Phillips
President, CEO and Founder
