

2019 Summer Swim Team Registration is OPEN!

Welcome to the 2019 Riptide Swim Team! We are looking forward to the upcoming summer swim season! Our team enables your child to be on a competitive swim team that promotes an example of a healthy lifestyle involving exercise, sportsmanship, hard work, commitment and friendship. We have a lot of fun things on the agenda.

We have two ways for your swimmer to be involved on the team.

- Riptide Swim Team: Competitive swim team where swimmers are expected to participate in the swim meets.
- Junior Riptides: Developmental Swimmers who are not quite ready to participate on the competitive team but are able to swim one length of the pool unassisted. ****Those swimmers who cannot will need to take swim lessons independent of the team before signing up.****

All swimmers who are registered **prior to May 1st** will receive one team t-shirt and one swim cap as part of the registration fee. *****The first 25 families to register will be entered into a raffle for a basket giveaway with prizes!*****

We will be offering a variety of Riptide Spirit Wear available for purchase! Please be on the lookout for additional information from our Spirit Wear Team!

Practices will begin Monday, May 20th. Practices are held in the late afternoon until school is out. Since the season is so short and the kids are still in school leading into the second week of June, we will have Saturday morning practices again this summer to get additional pool time. A full detailed schedule should be included as part of the welcome email you are receiving today!

Click the link below to register:

<https://form.jotform.com/90725515492157>

More information will be coming in the coming weeks regarding:

- How to order your team suit
- Spirit Wear Orders
- Coaching Staff Bios
- Swim Team Board Information
- Volunteer Job Descriptions

Please mark your calendars to attend the Club's Spring Fling on April 20th. The swim team will have a table at this event and will be able to answer all your questions regarding the upcoming season. If you need to reach me for any reason, please feel free to reach out to me directly at the team's email:

riptideswim1@gmail.com

Looking forward to a fun filled summer swim season!
