Philosophy

Kinder Korner Preschool believes that each child is a unique individual with diverse needs. Every child possesses unique gifts and talents just waiting to be discovered and developed. Therefore, we strive to create an atmosphere in which all children feel welcome, accepted, safe, and loved. We believe in nurturing the whole child through presenting activities to encourage academic, social, emotional, physical, and spiritual development.

Developing partnerships with our parents and families is of prime concern here at Kinder Korner. We encourage parent participation, involvement, and feedback throughout the child(ren)'s enrollment period.

Licensing Information

- Licensing correspondences, including the Preschool license, recent inspection reports, and compliance materials are posted in the classroom. Previous compliance and inspection reports are available for review at the preschool and when requested from the Ohio Department of Jobs and Family Services at 1-(866) 635-3748. The laws and regulations governing preschool centers are available at the center upon request.
- State teacher/child ratios, and maximum group sizes are as follows:

Age Group	Maximum Group Size	Teacher/Child Ratio
3 yr. Preschool	24	1:12
4-5 yr. Preschool	28	1:14
School-ages	36	1:18

- Maximum group size is defined by the number of children in one group that may be cared for at any time. Limitations do not include quiet time, snack time, outdoor play or special activities.
- Kinder Korner strives to maintain smaller ratios than the State of Ohio requires in each classroom.

Statement of Purpose

- The purpose of Kinder Korner Preschool is to provide a program that affords opportunity for the total development of each child. This includes continued progress toward spiritual, mental, physical, emotional, and social maturity.
- Within the limits of available facilities, educational opportunities will be provided to students regardless of race, creed, or place of origin. Handicapped children will be accepted on the approval of their Doctor, the Director, Instructors and the Board.
- Services provided include care, support, training, and supervision, such as, but not limited to, the providing of shelter, security, recreation, safety, and age-appropriated curriculum of instruction.

Behavioral Objectives

- To assist each child in developing a positive self-image and a sense of responsibility and independence.
- To teach each child how to make the right choices.
- To provide opportunities for each child to explore their environment and develop problem-solving skills.
- To help each child develop age-appropriate skills expected at his level.

- In all cases, the custodial parent or legal guardian will be the primary account holder. Any changes made regarding a child's enrollment, including emergency contacts and authorized pick-ups, must be authorized by the primary account holder.
- Be sure to notify the office of any information changes such as address, telephone number, employment, marital status, etc. Any changes in legal guardianship must be reported to the center in writing. Parents must provide legal documents to the center with clear and specific guidelines concerning visitation rights and custodial matters. **The center will not be held responsible if the parents do not provide the proper documents.**

Attendance

- Parents are asked to contact the center when a child is going to be absent for the day. If no communication is made we will assume the child is missing and will begin to contact the parents and other authorities as needed.
- If a parent or guardian has designated someone other than themselves or a spouse to drop off a child, a phone call from the parents/guardian will be required to report that child's caregiver to the center. If there is no communication from the parent/guardian, a staff member will attempt to contact the parents.

- Tuition will remain the same when a child is absent.

Prolonged Absence

- A child's enrollment will be automatically dropped after ten consecutive days of absence, effective on the tenth day, unless prior arrangements have been made. In addition, no reimbursement of monthly tuition will be given.

What You Should Bring

- Please bring two changes of clothing, appropriate for the season, in the child's backpack. **Please note: There are no teachers available to keep children indoors when insufficient clothing is worn.**
- Please do not bring any of your child's personal toys or items from home as the school provides toys for the children to play with. Any items brought are done so at your own risk. The center is not responsible for lost or damaged items.

Child Dress Code

- When wearing skirts or dresses, girls should wear tights, leggings, or shorts over their undergarment.
- Keep in mind that your children's clothing may get soiled easily due to classroom activity.

- The child's name should be placed on all outdoor clothing (coat, hat, mittens, etc.).

Drop off and Pick up

General Guidelines

- To assure the teacher is aware of a child's presence at the center at all times, **please communicate to the teacher** when dropping off or picking up a child. **The adult dropping off will have to sign the child in and out.**
- **Please do not send children to a classroom alone!**
- No child is to be brought to preschool more than 5 minutes before class begins.
- **We will not release children to anyone, even if they are on the pick-up authorization list, without parental consent and proper photo identification, namely a driver's license.**

Emergency Contacts

- Each family must give the names of at least two persons whom we may call in the event of an emergency. Two individuals having the same number will be listed together as one contact. Another person having a different number than the first must be given.
- Emergency contacts must live within the area and must be able to reach the center within a reasonable amount of time, normally within 30 minutes of being called.

Charges

Tuition

- Tuition rates are reviewed annually and are subject to change as conditions dictate. Here at Kinder Korner Preschool, it is always our goal to provide quality services at competitive rates.
- See Enrollment Information for specific tuition fees.
- Tuition is figured as an annual fee. It may be paid in full at the beginning of school, or in nine equal monthly installments due on the first day of school each month, beginning in October and ending in May.
- September tuition is due by July 13 to ensure your child's placement in the class. Because tuition is an annual fee, no refunds are given for illness, vacations, etc.
- To assure proper credit, include the **names of your children** on the front of your check or money order.
- It is very important that tuition is paid on time. In the event that tuition payments are late, parents will be given up to one month to make restitution. Kinder Korner Preschool reserves the right to assess an addition charge of \$5.00 for the first offense, \$10.00 for the second offense, and \$10.00 for any subsequent offenses.
- **Any account, which falls a month behind will be automatically suspended. Re-enrollment is subject to paying outstanding balances, re-enrollment fees, and space availability.**
- If a personal check has been returned to Kinder Korner for insufficient funds, all subsequent tuition must be paid by cash or money order. Any fees that Kinder Korner will occur will be passed onto the check writer.
- Tuition:
 - * Tuition is \$85.00 per month for 3-4 year olds or \$95.00 per month for 3-4 PM group
 - * Tuition is \$115.00 per month for 4-5 year olds

Registration and Supply Fees

- Once the child's application has been completed a non-refundable registration fee of \$35.00 is required to secure placement.
- A registration fee is charged for each new school year, as well as an annual supply fee.

Holiday Charges

- Tuition will remain the same for all holidays, closures, and teacher in-services. Instead of paying one large amount for the whole year, it is broken down into monthly payments, no matter how many days we are in attendance each month. (For additional information regarding holiday closings, please see section titled "hours of operation", under enrollment).

Late Pick up Charges

- Please be prompt in picking your child up on time. There will be a late charge of \$1.00 for every minute a child is here 5 minutes late (carpools will be charged \$1.00 per child), payable at the time of pick up.
- After 15 minutes over, we will begin to contact persons listed on your emergency contacts or authorized pick-up list.
- We will call Darke County Children's Services if you leave your child past 30 minutes and there has been no contact with the school from the parent or designated pick-up person.

Returned Checks

- There will be a service charge each time a check is returned. The parent or guardian will be required to pick up the dishonored check from our office with either cash or a money order for the face value of the check and all outstanding service charges.
- If your bank dishonors more than one check in a 30 day period, you may be required to make future payments by money order.

Finance Charges and Unpaid Accounts

- If a family withdraws from the center leaving an unpaid balance, a monthly finance fee of 15% of the total unpaid balance will be charged to the account.
- All accounts over 90 days past due will be sent to the collection agency.
- The Center has the right to immediately dismiss families (and their enrolled children) from the Center whose accounts are over 1 month delinquent in tuition payments or student fees.

Snacks

General Information

- Snacks are randomly used as a part of the curriculum, often related to the unit topic, and as an experience in tasting. The children may be involved in cooking activities through out the school year.
- There are no daily snacks.
- Please notify the center regarding food allergies.

Medical Policies

Physical Forms

- State law requires that each child, five and under, have a physical examination upon entering the center and annually thereafter.
- You will have no more than 30 days from the date of enrollment to complete and return the medical form.
- Forms must be renewed annually and should be returned within thirty days of the expiration date, or your child will not be allowed to return to the center. Forms may be dropped off and picked up at the center.

Communicable Disease

- Written notification of exposure to a communicable disease will be placed in a conspicuous manner on the parent board located in the main hallway entrance.
- If a staff member becomes ill and needs to leave, a substitute will be called in or the students will be split into groups to maintain ratios.
- We have a communicable disease chart posted in the Center entry area, near the classroom. Any child or staff member having any of these or the following symptoms will not be allowed to attend preschool.
 - Diarrhea (three or more times within 24 hours)
 - Severe coughing (child's face turns red or blue), or to make a whooping sound
 - Difficult or rapid breathing
 - Yellowish skin or eyes
 - Redness of the eye or eyelid, obvious discharge, matted eyelashes, burning, or itching
 - Temperature of 100 degrees Fahrenheit (aux. method) when in combination with any other sign or symptom.
 - Untreated infected skin patches, spots, rashes, hives
 - Unusually dark urine and/or gray or white stools.
 - Stiff neck with an elevated temperature
 - Sore throat or difficulty in swallowing
 - Vomiting
 - Evidence of lice, scabies, or other parasitic infestation
- If a child becomes ill, we will notify the parent or guardian, separate him or her from the other children, and make them as comfortable as possible. **Parents should arrive within 30 minutes of notification. Failure to do so will result in an additional charge of \$3.00 for every 15 minutes. Emergency contacts or authorized pick-ups will be called if parents are unable to arrive in a timely manner.**
- If a child is noticeably ill when entering the center, he/she will be sent home with the parents.

- **Children must be symptom free for 24 hours from the time of pick-up or until a physician’s release verifies that the child is no longer contagious.**
- Children who are not feeling well but are not exhibiting any symptoms (see communicable disease symptom chart) are considered “mildly ill” and will be cared for and observed for further signs of illness. **If the child is too ill to participate in the daily class activities, the parent will be called to pick them up.**
- We will treat minor accidents with normal first-aid procedures. In case of a serious accident, we will attempt to notify the parent or emergency contact immediately. If necessary, we will call emergency services or do as designated by the parent on the emergency transportation form.
- **No Nit Policy**
 - To help in the control of the spread of lice, any teacher or student who is sent home will be required to be checked by a designated staff member before they return to the center.
 - If your child contracts head lice, they should be treated and kept home until they are nit free. Parents should also notify the center immediately so that we can take the necessary precautions and inform others.

Administration of Medication

- **No over the counter medications or non-prescription medications will be administered by the staff.** If your child needs a non-prescription medication the parent/guardian may come to the classroom and administer the medication or should be taken before coming to preschool. The medication will not be stored here at the Center, and must be taken with the parent after the medication is given.

Field Trips

- Some field trips will have an added cost to the parents. The required amount should be paid before the children leave.
- For information regarding field trip safety, see section titled “field trip,” under safety information.
- All field trips we take will be places we can walk within the community.

Birthdays

- Birthdays are very important days in a child’s life. We would like to honor the children on their birthdays and hope that it can be a time for sharing with others. We will be scheduling your child’s birthday as close to the day as possible. If there are two children with the same birthday, we will go alphabetical.

- The children that have late May and summer birthdays will celebrate their ½ birthdays. A reminder will be sent home prior to the date.
- The children will bring a special show-n-tell, and can bring a non-food item to pass out to their friends.

Emergency Closing Procedures

- If and when it becomes necessary to close the center for any reason such as, heat or electrical outage, natural disaster, etc., the Center will close within one hour. Our alternate location will be the St. Denis Church basement or the Versailles School Board Office. We will notify the parents as soon as possible.
- If a decision to close is made before the next business day, we will announce it via television and/or radio. Any announcement played over the TV/radio will be presented as “Kinder Korner Preschool”.
- If for any reason we need to close during operating hours, we will make every effort to contact each parent by telephone. If we are unable to reach a parent, we will contact another person authorized to pick up the child. **Please be sure that all of your phone numbers and those listed on your pick-up lists are current.**
- In the event of a “stranger alert” or non-authorized entry, the building will be placed on lock down. No one will be allowed to enter the building and teachers will do as instructed during lock down drills.

Snow Days, Delays, and Make-up Days

- If the Versailles Public Schools are closed, Kinder Korner will be closed also.
- If the Versailles Public Schools are dismissed early because of weather conditions, Kinder Korner will also dismiss early.
- Kinder Korner does have delays. If Versailles Public Schools have a two hour or three hour delay, Kinder Korner will be on Plan B Preschool. **Plan B Preschool** means we will start later and have a change of pick up time for the 3-4’s and 4-5’s AM group.

Plan B Preschool for 3-4’s:

- Kinder Korner Preschool takes same actions as Versailles Public Schools with weather conditions; however we do not have the same make-up day policy. Kinder Korner Preschool will miss a total of 5 days before making the attempt to make up any cancelled school days: 2 days can be missed for the Tuesday and Thursday group, and 3 days can be missed for the Monday, Wednesday, and Friday groups before needing to start making up cancelled days.
- Notices regarding make-up days will be sent home prior to.

Child Discipline Guidelines

General Guidelines

- **Kinder Korner Preschool believes that the parents are responsible for the upbringing and training of their child and are, therefore, responsible for their child's behavior while attending the center.**
- We will be glad to refer any parents, that request help, to proper resources, facilities, or professionals that can assist them in behavior management.
- We implement a **reward** and **consequence** system in classroom as a part of the daily routine.
- Rule 22 according to the Ohio Department of Job and Family Services Licensing Rules and Regulations applies to all employees of the center.

Methods of Discipline

- Teachers will use their discretion as to what method will be used according to the severity of the behavior.
- Teachers are responsible for maintaining control of the children in a group by using the methods of discipline listed below.
 - Positive reinforcement
 - Redirection
 - Taking away of privileges
 - Time-out (time-outs are in correlation with a child's age, i.e., a 3-year-old will receive three minutes.)
 - In severe cases, "Bear Hugs" may be used when necessary, to prevent injury to a child or teacher
- Techniques of discipline will not shame, humiliate, or frighten a child.
- At no time is a teacher or administrator to use any form of physical discipline, verbal abuse or the withholding of food as forms of punishment. We will not impose discipline upon a child for failure to eat, sleep, or for toilet accidents. Intentional soiling of clothing by children will not, however, be tolerated, but will be treated accordingly.

Progression of Discipline

- Progressive or inappropriate behavior in any given day may constitute a visit to the administrator. The administrator will discuss the behavior with the child and assist them in apologies or restitution.
- If a child chooses to continue the negative behavior after visiting the administrator, or if a behavior becomes an interruption to the classroom, we will remove them from the room and contact the parents for early pick-up. A parent conference may be requested and a behavior modification plan, agreed upon by all those involved, implemented.
- If the behavior continues, the child will be placed on probation for as much as, but not limited to, one week. If at this time the behavior is not modified, dismissal will be implemented.
- If at anytime, a behavior becomes uncontrollable or a continuous interruption, the parents will be called to come to the center and remove the child for the day. At this time, the child's enrollment will be re-evaluated.
- The following behaviors may result in immediate consultation with parents by phone and/or conference and may result in loss of privileges such as playtime, and measures such as clean-up detail and immediate expulsion. If the behavior continues after disciplinary measures are taken, the child will be placed on probation and any infraction thereof will constitute immediate dismissal:
 - Physical aggression (severe or repetitive cases will constitute immediate dismissal)
 - Profanity
 - Stealing
 - Disrespect to staff members including physical aggression! **(Striking a staff member of Kinder Korner Preschool will not be tolerated and may result in immediate expulsion!)**
 - Destruction of school and/or church property (parents will be held liable for repairs and/or replacement costs.)

 - Biting – in extreme repetitive cases, or in older children
 - Inappropriately touching another child in "private" areas
 - Repeated temper tantrums

- There is always immediate access to a working telephone within the buildings used for the center.
- Aerosol sprays are not to be used in the classrooms while children are present.

- Staff members are trained in the recognition of communicable diseases, first aid, and infant/child CPR procedures by a licensed physician, R.N. or trained by the Red Cross within their first year of employment.

- In a case of extreme illness or accident, where it is deemed a life-threatening situation, 9-1-1 will be called, and the child will be transported by ambulance to the hospital listed on the child's Health and Enrollment form. The parent/guardian will be called immediately.

Emergency Evacuation

- If it becomes necessary to evacuate the center, the children will be escorted to the designated meeting area. Teachers will take a count of children before and after exiting the building using their daily attendance record.
 - Children enrolled in the **Preschool** classes will meet on the grass at the far east side of the building.
 - Once all children are assembled at the grass, they will walk as a group to the old Versailles Middle School or to St. Denis church basement.

Fire and Weather Safety

- Monthly fire and tornado drills (during season) are performed at varying times each month. A list of the dates the drills have been held is available upon request.
- Fire and weather alert plans and an evacuation route are posted in each classroom. Please make yourself familiar with these as each age group may meet in different outside areas.
- Weather conditions that may prevent the children from going outside include, but are not limited to: high heat index, ozone warnings, lightening, rain, icy conditions or when a weather advisory has been issued by the National Weather Service.

Field Trip Safety

 - Please make prior arrangements if you wish to take your child home directly from the field trip location.
 - Please note: Parents who have not gone through the proper background check will not be permitted to be alone with any child, except their own, at any time during a field trip or other center sponsored activity.

Field Trip Transportation

- All field trips are within walking distance, no vehicles will be used.
- Parent volunteers will be needed and will be requested for a head of time.

Parent Participation

General

- Parents are encouraged to participate in their child's program. If you are able to accompany your child on a field trip or to help with special parties or other events, please let the teacher know.
- Parent-teacher conferences will be scheduled for each class. We welcome a telephone call or personal conference at any time throughout the year whenever you have any questions, concerns, or suggestions.
- Parents are welcome to visit the Center at any time.

Procedures for Filing a Complaint

- **Teacher/ Classroom**
 - We believe that parent/teacher communication is vital in the development of your child; therefore, we encourage parents to communicate concerns pertaining to the classroom to the teachers.
 - If there is no resolution or you feel the situation requires the involvement of the administration, please stop by and speak with the Administrator, who will investigate the situation and will respond as soon as possible. Phone calls are always welcome.
 - Employees are encouraged to try to resolve issues on their own. If they feel the situation requires involvement of the administration, they should go to the Administrator, who will investigate the situation and respond as soon as possible. If they still have no resolution to their problem, the employee should go to the Board who oversees the Preschool.
- **Facilities**
 - If there is a concern regarding the care of the facilities, please contact the director/administrative personnel, who will investigate the situation and will respond as soon as possible. Phone calls are always welcome.
