The views expressed in this publication are those of the authors and do not necessarily reflect those of IUCN, nor the IUCN SSC Small Carnivore Specialist Group. The aim of this publication is to offer the members of the IUCN SSC Small Carnivore Specialist Group, and those who are concerned with small carnivores in families of Ailuridae, Eupleridae, Herpestidae, Mephitidae, Mustelidae, Nandiniidae, Prionodontidae, Procyonidae and Viverridae, original papers, news items, abstracts, and titles of recent literature. Prospective authors (who need not be members of the specialist group) should submit material to the Editors-in-chief.

SCC is an Open Access journal, therefore does not charge authors, readers or their institutions for access to its contents.

Design and layout:

José F. González-Maya
