

January 2017

Dear Members,

As 2017 approaches we hope that you will continue your affiliation with the Links at Cotton Valley. The course is cleaner and in the best shape ever due to the hard work of our maintenance department, who have worked diligently to improve the overall appearance of the golf course.

Enclosed is the application for membership. There are no increases to our membership fees. We know that the economy affects us all and we truly want to extend fairness to all members. You will notice that we have, however, added an in-county and out- of- county membership which adds immediate family. This member must be a person living within the household. (Children up to age 19).

The Corporate rate is defined by a max of ten players. Cotton Valley is also extending membership to business in the form of a corporate membership with a maximum of 6 or 10 members. These players must be defined by the business.

We are striving to make the Links at Cotton Valley a place to come and enjoy a great round of golf while enjoying the wildlife and breathe taking scenery.

Again we thank you for your support and patience during 2016 and the damage from Matthew hope you will come to play and enjoy the game of golf in 2017. For any inquiries contact the Office or the Pro shop at 252-824-0818

Remember that if any member pays for the year they receive a month for free, but check with us for our specials for November and December. There are no specials if paying by the month it would be unfair to those folks signing up for the one time special.

Respectfully,

Moonie Sloan (General Manager)
