

## **How to “Flock a Friend” & Help support NEN After-Prom**

For \$20 you can order a yard full of pink flamingos to show up in your friend/ "victim's" yard. They will be placed in the yard after dark in order to surprise the "victim" the next morning. If interested in surprising a friend or family, please fill out a “Flock a Friend” order form and send with payment to school. Your friend will awake to a flock of pink flamingos in their yard.

The Queen Pink Flamingo, dressed in Blue Jay colors, will have a “ransom” note attached that reads:

A fundraiser is being conducted by Northeast Nodaway After-Prom Committee. This Flock of Pink Flamingos has gathered upon your property to roost until “ransom” is received. In case you didn't know this, Plastic Pink Flamingos are very territorial, and unless they are placed in someone else's lawn, they will roost on your property for a very long time. Removal of this Flock of Pink Plastic Lawn Flamingos should be attempted only by trained professionals. Fortunately, our Removal Technicians are highly skilled.

Your friend/ “victim” can pay a \$20 ransom to have the flamingos removed from their yard OR moved to another yard of their choosing OR they can choose to buy Flocking

Insurance. When ransom payment is received, we will send a team out to remove these pesky, but very loveable, pink birds.

Flocking Order Forms are available in the front office or on-line at <http://www.nenr5.com/>. Call 937-3125 for more information.

**Flocking ends April 2nd, so please don't wait! Flock a Friend soon!**

**And Thank You for supporting NEN After-Prom!**
