## Tryout Registration Info

- Please be sure to register online in advance for tryouts. Tryouts are \$25 per tryout (\$35 at the door)
- Dancers wishing to participate on a Lyrical/Contemporary team, must also be on a Jazz team. Lyrical/Contemporary teams placement will be by invitation and practices will begin in July
- Make-up tryouts can be arranged via email, after dancers sign up online for the teams they would like to tryout for

## What You Need for Tryouts

- ⇒ **Jazz/Pom Tryouts** - Tight fitting dance clothes (preferably black), tan tights and either jazz or ballet shoes. Hair in a high, neat and clean bun to keep it out of the dancer's face
- ⇒ **Hip Hop Tryouts** - Capris or pants (no shorts please), any style top (preferably black) and sneakers (all female dancers regardless of age must wear a sports bra and spandex under clothing if they are not form fitting) Hair up and must be out of the dancer's face
- ⇒ **SMILE!!!** - While we are evaluating dancers for skill sets to place them on appropriate teams, we are more importantly looking for kids who LOVE to dance! Tryouts can be nerve wracking, but make sure that you are smiling and performing!

## What Happens After Tryouts?

- ⇒ Dancers will be given numbers at tryouts and they will look for this number instead of their names. If your dancer is trying out for more than one team they will use the same number for all tryouts and it will appear on all teams they are placed on
- ⇒ Tryout results will be posted on our website under the "All Stars" tab on Sunday evening
- ⇒ On the results page dancers will be given their registration date/time, required paper work and the registration fees due at that time
