

## **FORT BEND COUNTY MUD NO. 2**

**LATE FEES BEGIN AUGUST 5<sup>th</sup>**

---

### **WATER SERVICE TERMINATIONS BEGIN AUGUST 27<sup>th</sup>**

Fort Bend County MUD No. 2 (the District) will be ending some measures it enacted beginning in March to help residents during the COVID-19 pandemic. In March, the Board of Directors voted to suspend the fees to assist residents because many businesses had closed to comply with local and state orders. With so many people unemployed, the Board suspended late fees and water terminations in an effort to help residents.

**PAYMENTS are due on the 4th of each month.** On **August 5, 2020**, the District will begin applying a 10% LATE FEE on unpaid balances and will resume water service terminations for non-payment. Residents will have until **August 25, 2020** to make sure their water bill balances are current or WATER SERVICE will be TERMINATED. If you are unable to pay your water bill, contact us about a payment plan to pay down your balance.
