Additional information that might be useful – This form does not need to be sent.

There is a group in the park (crusin Cajuns) leaving out Sunday. I don't anticipate a real problem since they leave quickly in the morning. If you want to come in Saturday there is plenty of room in the park for us to be. It just means if you want to move you can when space becomes available.

The park is owned and operated by the City of Rayne. It is at exit 89 off of highway 10. Exit going south stopping at the first street light. You will be turning right and it is a very narrow street. Travel about a half a block where you will see the Cajun RV Banner where you turn right into the park....proceed past the ball parks to the big building straight ahead.

You might need to bring.

Extra electrical cord

50 Amp Cheater Box There are tons of 30 amp poles with many outlets.

additional sewer pipe (in some areas gray water can go on the ground)
