VACATION BIBLE SCHOOL UPDATE

We would like to thank everyone who helped make VBS a huge success. Many people brought desserts and sandwiches and helped build our marketplace and underground cave. Thanks to Shane Woodard, Bo Harvey, and Kathy Anderson for bringing the story of Paul to life. We had many great teachers and leaders throughout the week who dedicated their time and the children loved each session. A special thanks to those who helped serve and clean up each night. We received positive feedback about VBS and can't wait until next year! However, it would not be possible without the continued support from our church congregation. It takes everyone's special talents working together to make the event super.

Sherry Hill, VBS Director and Ashley Blair, Children's Ministry Director
