

Class Descriptions

Pre Combo Tap & Ballet is a class for 3-4 year old dancers. This class teaches dancers a combination of both tap and ballet terminology and movement. This class will enhance motor skills, spatial awareness, balance, coordination, as well as class etiquette and peer interaction. The tap portion of this combo class focuses on rhythm and musicality.

Mini Ballet is for 5-7 year old dancers. This class focuses on beginner ballet terminology and movement. Our ballet classes follow a traditional structure dividing time between barre and center floor work. Dancers continue to focus on motor skills, spatial awareness, balance, coordination, class etiquette and peer interaction with more emphasis on following directions.

Mini Tap is for 5-7 year old dancers. This class focuses on beginner tap terminology and movement. Our tap classes follow a traditional structure dividing time between barre and center floor work. Dancers will continue to focus on motor skills, spatial awareness, balance, coordination, class etiquette and peer interaction with more emphasis on following directions. Tappers learn a blend of syncopated rhythms focusing on footwork and the expression of rhythms through tempo and sound clarity.

Mini Combo Tap & Ballet is for 5-7 year old dancers. This class teaches dancers a combination of both tap and ballet terminology and movement. Dancers will continue to focus on motor skills, spatial awareness, balance, coordination, class etiquette and peer interaction with more emphasis on following directions.

Mini Jazz is for 5-7 year old dancers. This class builds strength and flexibility. Basic motor skills transition into kicks leaps and turns. This style is energetic and fun. Dancers continue to focus on motor skills, spatial awareness, balance, coordination, class etiquette and peer interaction with more emphasis on following directions. Although it is not required, it is beneficial to study ballet in conjunction with jazz technique.

Funky Frogs Hip Hop is for 5-7 year old dancers. Hip-hoppers will focus on motor skills, spatial awareness, balance, coordination, class etiquette and peer interaction with more emphasis on following directions. Hip-Hop fuses jazz and street dance forms. Students learn isolations, dynamics and movement unique to Hip Hop culture. Teachers will use popular, age appropriate pop and hip hop music. Although it is not required, it is beneficial to study jazz in conjunction with hip hop.

Intermediate Tap is for 8+ year old dancers. Intermediate dancers are ready for a more professional class structure. This age group seeks challenge so we plan our classes to meet the needs of an eager student. This class focuses on beginner to intermediate tap terminology and movement. Our tap classes follow a traditional structure dividing time

between barre and center floor work. Tappers learn a blend of syncopated rhythms focusing on footwork and the expression of rhythms through tempo and sound clarity.

Intermediate Ballet is for 8+ year old dancers. Intermediate dancers are ready for a more professional class structure. This age group seeks challenge so we plan our classes to meet the needs of an eager student. This class focuses on beginner to intermediate ballet terminology and movement while promoting grace, fluidity and self-expression. Our ballet classes follow a traditional structure dividing time between barre and center floor work; introducing leaps, turns and center floor balance variations. Technique practiced in this class is the basis for all other dance forms.

Beg./Intermediate Hip Hop is for 8+ year old dancers. Intermediate dancers are ready for a more professional class structure. This age group seeks challenge so we plan our classes to meet the needs of an eager student. Hip-Hop fuses jazz and street dance forms.
