Dear Sherry:

Thank you for your letter of November 17, 1997 and the attached initiative entitled "Prohibition of Horse Slaughter and Sale of Horse Meat for Human Consumption Act of 1998" and the other information and material which you had previously delivered and mailed to me.

I've read the initiative. I agree with its intent and purpose. I will be pleased to sponsor it and be deemed a proponent of it. I will also be pleased to sign the argument in favor of it or the argument rebutting any opposition argument in the 1998 California Voter Information Pamphlet.

Please keep me informed as to material developments respecting the proposed initiative as they occur.

Sincerely yours,

Quentin
