

Brr! The days are getting chillier, but you are helping us heat up by getting all your funds to our Department Treasurer in a very timely fashion.

Thank you to the Auxiliary Presidents, our District Presidents, Officers of each and to the Auxiliary members that have ramped up their fund raising to get the President's pins out to the members and to find persons to donate towards our "Triple Treat Thursday" money raffle.

President's pins are still available @ \$3.00 each. If you need more, contact your District President today or call me.

Find out from your District President the theme they are going with for the large insulated tote they each have so you can help them fill it. I am expecting a great turnout with donations at our Convention next June.

I have received some fantastic news on the Money Raffle for this year. There are two District Presidents that have reported some excellent news to me with their own results. Remember to follow the rules about the funds and stubs and get them to the persons assigned and also to let your District President know if you are returning them for redistribution. They will contact me to collect and find others to get them to so we can reach 100%. Thank you for all your hard work making this a successful project.

We must remember that our Veterans, our Military and their families need us to continue our support. May our police officers and National Guard have care during this time.

"Honoring our Mission to Serve Veterans" as we "Soar Like an Eagle for our Veterans"
