### Overview

2300pt games are common sized games for Kings of War, with some limitations on list building and often having plenty of battlefield space to manoeuvre! This level uses Blackjack! Scoring system: each game having 21pts available and results are on a sliding scale.

Games will be **130 minutes with 65 minutes per player inc setup**, using a chess clock.

- Withdraw rule will be used as written in Redbook.
- Clash of Kings 2024 updates in play
- Blackjack Scoring system will be used - each game having 21 points available for scenario and attrition
