

Grand of New Mexico
President Message #3
September 2021

Cooties,

Well, I have some great news. We now have the Supreme booklet and I can now tell you more about this year on the Supreme side and what we can do as a Grand to help out for our programs. Here are a few house keeping items:

Supreme President: Debbie Thie, Grand of Florida

Supreme Commander: Olin Parks, Grand of Missouri

Supreme President's Special Project: VFW Veterans Village

Veterans Village is located in Ft. McCoy, Florida, north-east of Ocala. Her goal is to make sure that the Village has money to keep helping and supporting all Veterans. This place does not get help from the government, state, or city.

Supreme President Homecoming and Mid-Year: January 14-16; Orlando, Florida

Presidents: I will be emailing you, now in September to see when it is a good time to go and do my inspections. I need to get all my inspections done by December 21st.

As for the program book, I would like every Auxiliary to have one. If you are not able to get one, please contact me and I will get it to you. This book will help you run your programs and for you to also know what is going on at the Supreme level. Chairman, if you would like a book or just your portion, please let me know and I can either scan it to you or mail it.

Please remember that if you have questions, or need anything I am here to help. Call, text, or email, I will respond when I can and we can figure things out together,

Danielle Garcia
Grand President
